Weatherproof Deck Outlet Cover & Deck Outlet Cover Kit

COMMERCIAL CONSTRUCTION

Weatherproof Deck Outlet Cover

Cat. #: DOC320G (W, Z)

Application:

Provides a safe and code-compliant way to add an electrical outlet to a raised deck floor. Power can be conveniently placed avoiding long intrusive extension cords all over the patio, which pose tripping hazards.

Features:

- Low profile and beveled edge meets ADA guidelines and reduces the chances of a trip or fall
- Wide-opening, easy-access lid covers with 2-3/4" recessed box (outlet box not included)
- Rain chamber and "drip loop" design, along with wide drip holes provide two levels of drip protection while in-use
- The large internal space accepts larger cords and plugs
- Robust design is constructed of heavy duty PVC
- Available in Gray/White/Bronze

Availability: Now
