

# 2-IN-1 HANDY BOX

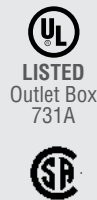

## Application

Handy boxes are used for convenience outlets and are popular in exposed work (surface mount) applications where EMT is ran.

## Features

- 1/2" and 3/4" Handy box can be rotated 180° to accommodate either 1/2" or 3/4" conduit fittings/wirint systems
- No need to inventory both 1/2" and 3/4" Handy box SKU's - one SKU does it all
- UL Listed
