

RACO[®] **3 PIECE SUPER COUPLING**

NEW!

**Threaded
Rigid/IMC**

**Threaded or
Unthreaded
Rigid/IMC &
EMT Conduit**

*Universal Compression
Ring secures Rigid/IMC
and EMT Conduit*

Application

RACO's new 3-Piece Super Coupling is designed to couple threaded Rigid/IMC conduit to either threaded or unthreaded Rigid/IMC, or EMT conduit. Its unique features lend to quick and simplified installation. No turning of the conduit is required, and no disassembly of the coupling is needed.

Features

- Reduces installation time
- Eliminates field threading
- Lighter than the traditional malleable iron 3-piece coupling
- Compact size makes installation easier where space is limited
- No need to disassemble the compression nut and ring
- Zinc-plated steel
- UL Concrete-tight
