FOR IMMEDIATE RELEASE

NEMA 4X Screw Cover Enclosure From Wiegmann

South Bend, Indiana June 28, 2018 –Wiegmann offers the WA series of NEMA 4X rated electrical enclosures with screw covers. These stainless steel enclosures offer protection for electrical components in a variety of harsh environments. Wiegmann, part of Hubbell Commercial Construction, provides innovative electrical products to OEM, industrial and commercial markets.

Wiegmann's WA series NEMA 4X screw cover enclosures feature 304 stainless steel construction with continuously welded seams that are ground smooth. Covers include closed cell oil-resistant neoprene gaskets. Stainless steel screws thread into sealed wells to maintain a superior seal.

This enclosure design is intended for use as a wiring box, junction box, pull box or terminal box. These Wiegmann enclosures are free of standard holes or knockouts. This ensures that the units are sealed against liquids or dust in a variety of outdoor or corrosive indoor applications.

Wiegmann WA series NEMA 4X screw cover enclosures are available now. Find more information at www.hubbell.com. Follow the brand on [LinkedIn](#) and [Twitter](#).

About Hubbell Commercial Construction

Hubbell Commercial Construction includes five brands that provide innovative and cost-effective electrical products with superior customer service for commercial and/or residential markets. RACO creates electrical boxes, covers, and fittings. TayMac crafts "while in use" covers for outdoor electrical applications. Bell produces weatherproof boxes, covers and outdoor lighting. Wiegmann offers the most complete line of electrical enclosures for OEM, Commercial Construction, and MRO markets. Acme manufactures power conversion and conditioning equipment for industrial, commercial and OEM applications.

These historic brands are part of Hubbell Incorporated, one of the largest electrical manufacturers in North America. The company's history of innovation extends back to 1889. Founder Harvey Hubbell invented the pull chain light switch and duplex receptacle.
