Wiegmann Delivers New Catalog

South Bend, Indiana May 24, 2018 –Wiegmann has released their new 2018 catalog. This major revision includes significant product line additions as well as functional improvements. Wiegmann, part of Hubbell Commercial Construction, provides innovative electrical products to OEM, industrial and commercial markets.

The 2018 Wiegmann catalog highlights the company's newest electrical enclosures and accessories:

- RSC-NKSS stainless steel 3RX enclosures
- Ultimate® series Mini-Max enclosures
- Universal Deep Hinged Window Kit
- WRD series single and two door enclosures with removable hinges
- WA-GSCSS series NEMA4 Gasketed Screw Covers
- An increased selection of Non-Metallic products
- New and improved line of Thermal products
- Drive Enclosures
- Pole Mount Kit

“We are excited to provide our customers with this all-in-one-place resource for Wiegmann products,” commented product manager Steve Myers. The new catalog features a new easier-to-use format. Printed in full color, it also includes updated dimensional drawings throughout.

The Wiegmann print catalog is shipping now. The PDF version is available on the company website. Customers can ask their sales rep, or find more information at www.hubbell.com. Follow the brand on [LinkedIn](#) and [Twitter](#).

About Hubbell Commercial Construction

Hubbell Commercial Construction includes five brands that provide innovative and cost-effective electrical products with superior customer service for commercial and/or residential markets. RACO creates electrical boxes, covers, and fittings. TayMac crafts “while in use” covers for outdoor electrical applications. Bell produces weatherproof boxes, covers and outdoor lighting. Wiegmann offers the most complete line of electrical enclosures for OEM, Commercial Construction, and MRO markets. Acme manufactures power conversion and conditioning equipment for industrial, commercial and OEM applications.

These historic brands are part of Hubbell Incorporated, one of the largest electrical manufacturers in North America. The company's history of innovation extends back to 1889. Founder Harvey Hubbell invented the pull chain light switch and duplex receptacle.
