- *Suitable for interior and exterior applications*
- *Low profile installation*
- *Available in four finishes*

LiteStep®

MSL

The newest addition to the LiteStep family, the mini LED step/wall louvered lights are available in a variety of colors including Black, White, Brushed Nickel, and Antique Bronze. This step light is designed for installation into a standard outlet box with a depth of only two inches. With several cover plate options to create a multitude of design styles in both horizontal and vertical positions, it is perfect for highlighting staircase areas as well as hallways, walkways or anywhere unobtrusive light is needed closer to the ground. The MSL is 120v only and suitable for wet locations.
