P	ABS Thermoplastic	75 75'	D Double	G Green
PM	Poly Metal	100 100'		
A	Acrylic			

NOTES

¹Please refer to RDC guide to select from stocked models

IMPORTANT APPLICATION NOTE:

Install photoluminescent exit signs only in locations where an external illumination source is present, is deemed reliable, and is supplied by a circuit not controlled by automatic timers or sensors, and where controls are accessible only to authorized personnel. A minimum of 5 foot-candle(54lux) external illumination of unfiltered metal halide, fluorescent, mercury vapor or LED charging light sources required on sign face at all times of building occupancy.
