

Kitson

Incorporate a hint of stylish industrial light to any commercial or residential setting with our Kitson collection. Multi-directional lamp heads provide design flexibility and illuminate typically hard-to-reach areas, such as highlighting images in a lobby or gallery. Select a brushed nickel, satin white, or black finish to best fit your design aesthetic. Each lamp head features an industrial-styled shade with an outer ribbed design. Use with GU10 lamps to create different beam shapes as desired.

1 HEAD TRACK METAL

P900013-009 Brushed Nickel

P900013-028 Satin White

P900013-031 Black
