

POINT DUME™ / SHEARWATER

The Shearwater hanging lanterns and wall sconces embody Jeffrey's love of easy coastal living. His lighter lantern and sconce option combine Antique Nickel with clear glass and a soft-beige stitched leather handle, while the more traditional version of Shearwater combines Aged Brass, clear glass, and a handsome brown stitched leather handle. For a more California look, Jeffrey offers a white or antique nickel lantern with clear glass and his signature Maliblu accent as a pop of color in the roof of the fixture.
