

LUSAIL

The Lusail Collection showcases a sensuous texture that brings forward a luxurious appearance. Rustic sensibility contrasts beautifully with the sleek Soft Gold finish with a Foundry Gold accent that form the modernist frame.

REFINED + RUSTIC

Embrace natural, earthy tones like blues and warm neutrals to create a calming and serene dining atmosphere. This modern organic vibe is balanced by the luxe industrial touches of the room's lighting. The lines of the Lusail pendant and wall sconce showcase geometric forms with a hand-forged appearance that contrasts beautifully with sleek golden elements, bringing a refined look to the scene.
