To Whom it May Concern

Declaration of Conformity with RoHS and WEEE directives

This document declares that the products which we at Hawke International manufacture are fully compliant with RoHS (Restriction of Hazardous Substances-EU) Directives 2011/65/EU-RoHS2 & 2015/863/EU RoHS3 and WEEE 2012/96/EU.

As a manufacturer of products containing metallic components, we can confirm that we do apply article 4 paragraph 6 excepting brass alloy containing up to 4% lead as detailed in Annex III 6(c).
