

IMPORTANT SAFETY INFORMATION. READ AND FOLLOW ALL SAFETY INSTRUCTIONS. Follow label information and instructions concerning Wet or Damp Locations, installation near combustible materials, insulation, building materials, and proper lamping. Do not install in areas subject to combustible vapors or gases. Before wiring to power supply and during servicing or relamping, turn off power at fuse or circuit breaker. **All servicing or relamping must be performed by qualified service personnel. Product must be grounded to avoid potential electric shock or other potential hazard. Product must be mounted in locations and at heights and in a manner consistent with its intended use, and in compliance with the National Electrical Code and local codes.** The use of accessory equipment not recommended by the manufacturer or installed contrary to instructions may cause an unsafe condition. Do not block light emanating from product in whole or part, as this may cause an unsafe condition. Do not allow items such as drapes, curtains, screens or the like to come into contact with the product or to block light from the product, as this may cause an unsafe condition.

INSTALLATION INSTRUCTIONS STACCATO WALL BRACKETS

1. Make electrical connections. Connect ground wires to green ground leads. Connect white (common) to white leads. Connect power supply (line) to black leads. (see wiring diagram).

WARNING: DO NOT pinch wires. Consult a Qualified Electrician for all other options that require other wiring configurations.

2. Attach mounting strap and block assembly to box using outlet box screws. (Fig. 1) If necessary, the mounting strap may be reversed. Remove the screws holding the block to the strap and reassemble the block on the opposite side of the strap. (Fig. 2)
3. Place the canopy over the mounting block.
4. Place the fixture arm over the mounting block. Hold the fixture firmly against the wall and tighten the 2 set screws in the arm.
5. NOTE: Up-down lights mounted outdoors must have waterproof rubber boot on up-down socket.
6. See accompanying Instruction Sheet for lamp installation procedure for PAR 56 units.
