BRYANT®

Smart Solutions for AV Installation in your Home

Bryant provides multiple solutions for in-home AV installations. With recessed plastic boxes and receptacles, low voltage cables and power cords are organized and protected. All wires stay hidden behind wall units and entertainment centers, allowing for a clean and flushed look. Products are offered in various color options to compliment or blend into any décor.

- Feed through opening organizes and protects low voltage cables
- Flush design fits behind wall mount flat panel TVs, a/v equipment, wall units, artwork, mounts
- Tamper-resistant duplex receptacles promote safety and provide two 15A, 125V NEMA 5-15R power outlets
- Simple installation easily mounts to box with screws
