

Industrial product overview

NEMA 12/13/4 Enclosures

Application

- Automation Controls
- Flow Controls
- Solar Combiner Box
- Battery Storage
- Monitoring Equipment
- Operator Controls

Served market

- Petrochemical
- Pulp/Paper
- Oil and Gas
- Wastewater
- Power Generation/Solar

-  Indoor/Outdoor
-  Painted Steel

-  Oil Seepage
-  Intrusion of Dust

-  Water Hose Down (NEMA 4)

NEMA 4X Enclosures

Application

- Automation Controls
- Flow Controls
- Solar Combiner Box
- Battery Storage
- Monitoring Equipment
- Operator Controls

Served market

- Petrochemical
- Pulp/Paper
- Oil and Gas
- Wastewater
- Power Generation/Solar

-  Indoor/Outdoor
-  Corrosion Resistant

-  Intrusion of Dust
-  Water Hose Down
-  Stainless Steel

IP69 Hygienic Wash Down

Application

- Automation Controls
- Industrial Controls
- Power Distribution
- VFDs
- Operator Controls

Served market

- Food and Beverage
- Livestock Processing
- Brewing
- Hygienic Wash Down
- Pharmaceutical

-  Indoor/Outdoor
-  Corrosion Resistant

-  Intrusion of Dust
-  High Temp./Pressure Wash Down
-  Stainless Steel

Certifications

All enclosures are tested by UL, to meet the cULus standard required, to receive the NEMA and IEC ratings noted for each enclosure.

Products

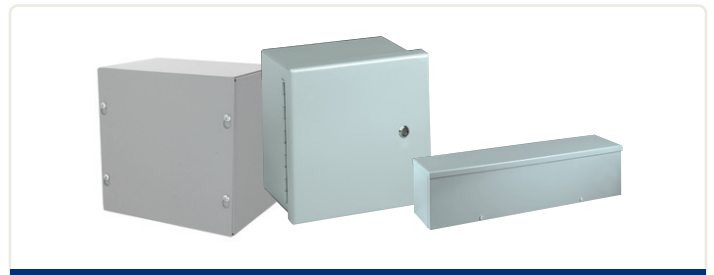

NEMA 4X Enclosures

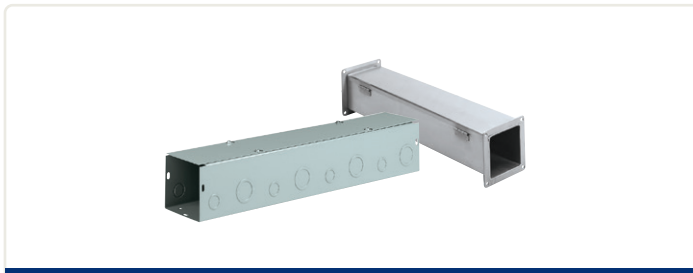

NEMA 4 Enclosures
