

NEMA 1 and NEMA 1/3R Freestanding Enclosures

Large, freestanding enclosures that are safer, cost-effective, and get to you faster than custom designs. With our NEMA 1 and NEMA 1/3R enclosures, you don't have to order customized enclosures when you need a large NEMA 1/3R solution.

NEMA 1 Enclosures

- For indoor use only
- Prevents incidental contact with enclosure equipment
- Single door enclosures available in sizes 60x24x18 to 90x36x36
- Double door enclosures available in sizes 60x48x18 to 90x72x36
- Lift-off covers for basic electrical protection
- Panel provision included (panels sold separately)

NEMA 1/3R Enclosures

- For indoor or outdoor use
- Protects against rain and dripping water ingress
- Single door enclosures available in sizes 60x24x18 to 90x36x36
- Double door enclosures available in sizes 60x48x18 to 90x72x36
- Hinged cover door with lockable, flat-mounted handles
- Panel provision included (panels sold separately)

Additional features

Shorter lead time vs. custom designed enclosures

Easy bolt down access

Lift from above or below enclosure

Lift off cover hardware does not need to be fully removed for access

N1_FS and N1_FSD Series Enclosures
