

ICS SmartSeries stations are GAI-TRONICS' latest generation of distributed amplifier equipment. Lighter and easier to install than previous stations, they feature completely redesigned electronics with a powerful 30W speaker amplifier. ICS SmartSeries stations are completely backwards-compatible with existing ADVANCE/SmartSeries systems.

ExICS

- Approved for use in UL Class I, Division 1 or IEC Zone 1 areas.
- Environmental protection to Type 4X / IP66
- Available as handset/speaker or speaker amplifiers
- Optional Remote Terminal Unit

Indoor ICS

- Approved for use in UL Class I, Division 2 or CE safe areas
- Available as handset/speaker or speaker amplifiers
- Optional Remote Terminal Unit

Weatherproof ICS

- Approved for use in UL Class I, Division 2 or CE safe areas
- Environmental protection to Type 4X / IP66
- Available as handset/speaker or speaker amplifiers
- Optional Remote Terminal Unit

Office ICS (with remote handset)

- Approved for use in UL or CE safe areas
- Available as desktop, flush or desk-edge mounted
- Optional Remote Terminal Unit

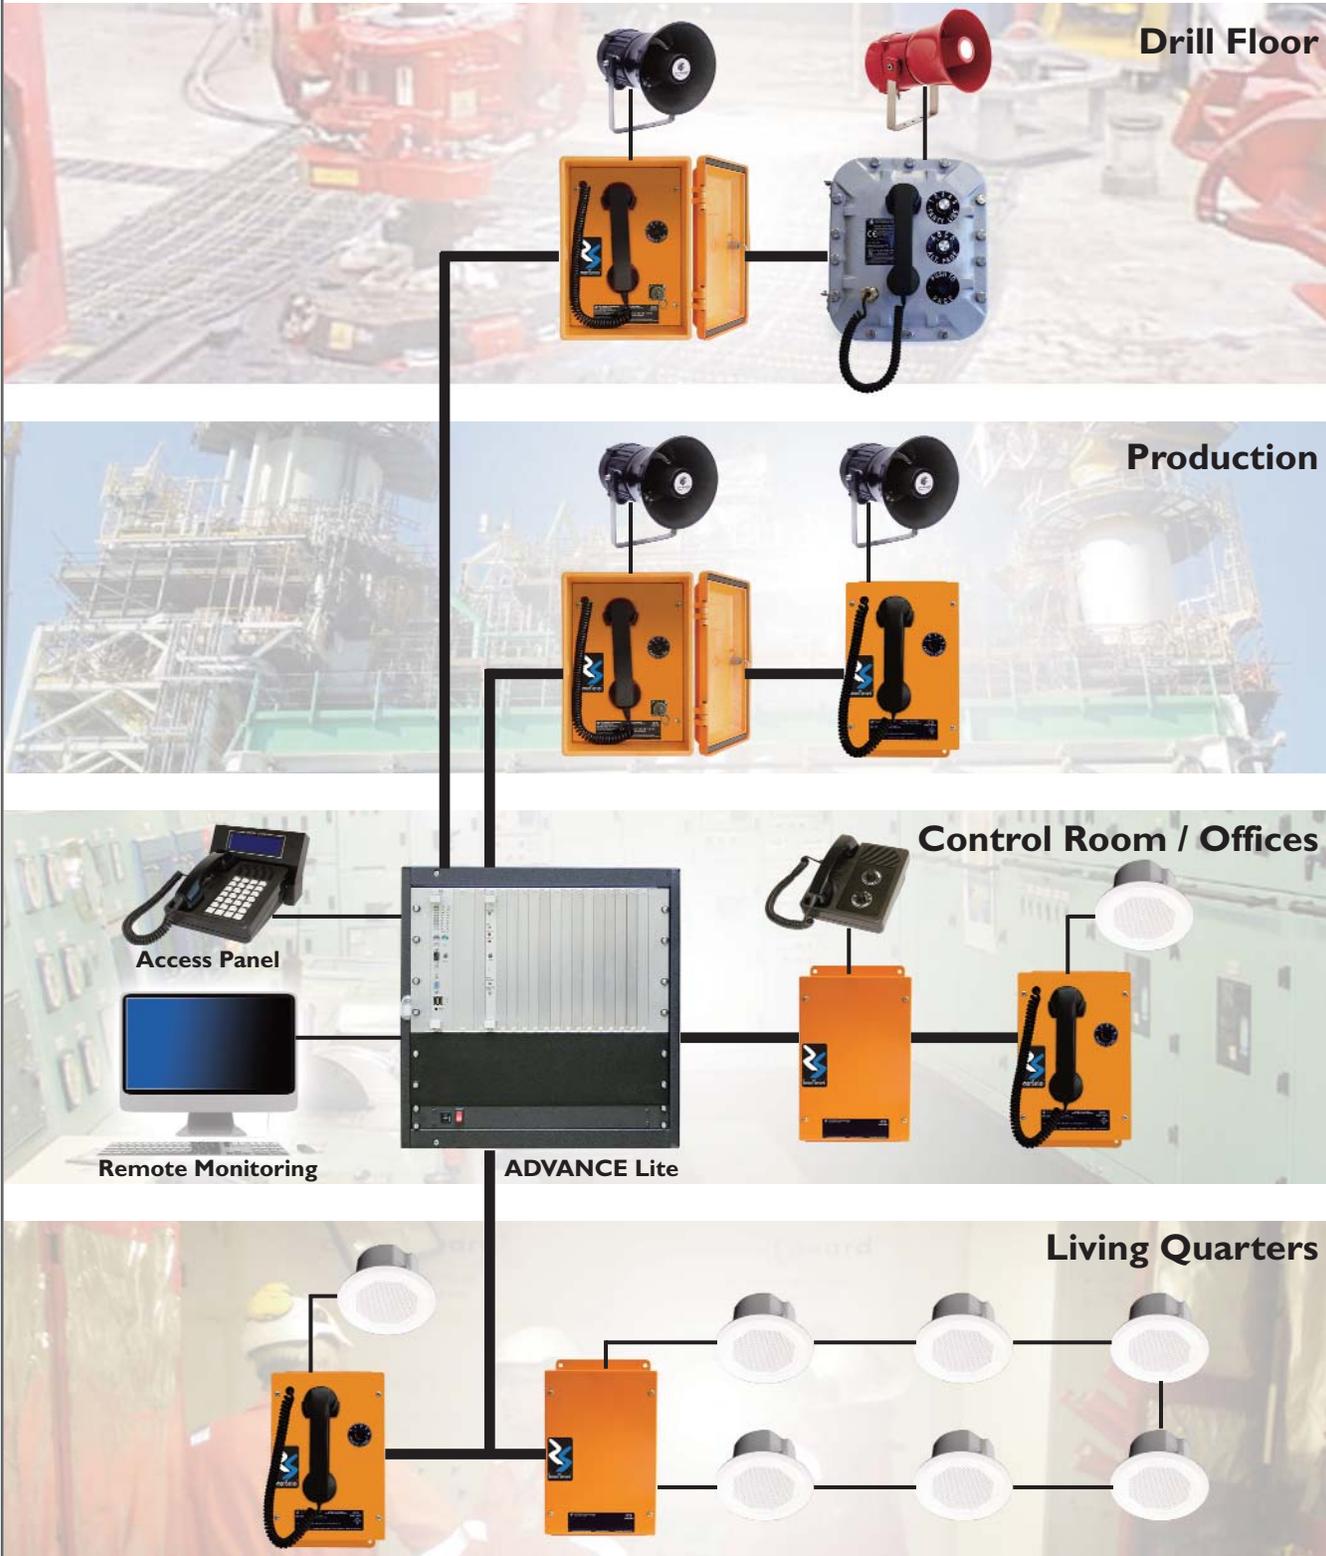

70/100V ICS

- Approved for use in UL or CE safe areas
- A mini "central amplifier" with a 24W 70/100V speaker output
- Speaker loop monitoring
