Safety Products

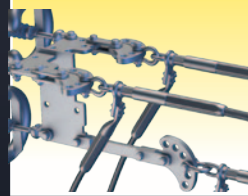

- Temporary-grounding equipment
- Hotline tools
- Safety products for transmission, substation and distribution construction and maintenance

Connectors

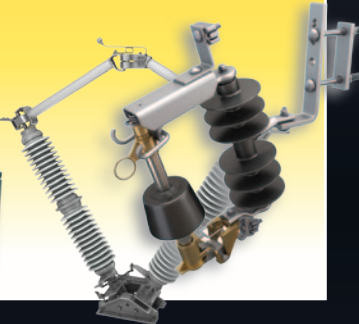

- A variety of connectors and tools for transmission, substation and distribution applications
- Wildlife protectors equipment locks
- Splices, deadends, dampers, fittings

- Compression tools
- Formed wire products
- TowerPak(R) kitted solutions for transmission assemblies

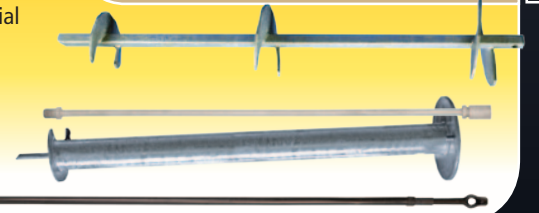

Switching

- Automation-ready distribution switchgear
- Reclosers
- Resettable sectionalizers
- Distribution protection – Reclosers, sectionalizers, Cutouts & fuse links
- Transmission and substation class switchgear
- Cutouts and fuse links
- Pad-mounted switchgear

Civil Construction

- High strength anchor and foundation capabilities in all soils
- Underpinning systems for residential and commercial structures
- Tieback and soil nailing helical anchoring systems
- Street and area lighting helical foundation systems

Construction

- Pole line hardware for utility and communications
- Narrow-profile fiberglass construction
- Distribution and transmission guying anchors
- Distribution pole support anchors
- Helical foundations for substations, transmission & solar structures

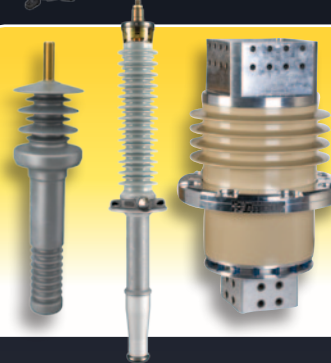

Arresters

- Complete line of arresters for all your transmission, substation and distribution needs
- Distribution and station class arresters designed & engineered for durability and reliability, and capable of withstanding decades of unpredictable weather

Bushings

- Capacitance-graded bushings, test terminals & bushings repair
- Solid dielectric capacitor bushings & custom molded products

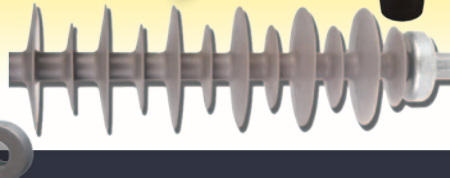

Insulators & Cable Accessories

- Insulators and cable accessories for transmission, substation and distribution requirements

Our insulator product offerings span a broad range of mechanical ratings

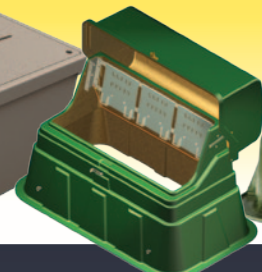

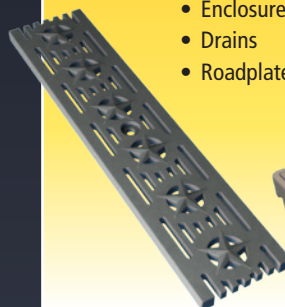

Our insulator product offerings span a broad range of mechanical ratings

Enclosures & Drains

- Enclosures
- Drains
- Roadplates

- Pedestals
- Trench covers
- Sectionalizing cabinets

ABOUT HUBBELL POWER SYSTEMS
Hubbell Power Systems (HPS) manufactures a wide variety of transmission, distribution, substation, OEM, underground and communications products used by utilities. HPS products are also used in the civil construction, transportation, gas and water industries. Our product line includes construction, hot switching and protection products, hot line tools, insulators, arresters, pole line hardware, cable accessories, test equipment, transformer bushings, connectors, grounding equipment and polymer precast enclosures and equipment pads.

ENDURING PRODUCTS AND PEOPLE YOU CAN DEPEND ON.
