

1CD/1CS2 and 1CDT/1CS2T

Turner Transmission Switch C-Frame Mounting Data Sheet

1. Pole Dimensions (FIG. 1)

Fill in the pole dimensions in feet and inches. Reference Fig. 1 for dimensions A, B, and C. Mark if the switch needed is a 1CD/1CS2 or a 1CDT/1CS2T.

Dimensions (ft & in)

A _____

B _____

C _____

Switch Type

1CD/1CS2: phase over phase, all 3 frames on same side of pole

1CDT/1CS2T: phase opposite phase, 2 phases on one side and 1 phase on other

2. Pole Shape

Mark the pole shape that matches the switch pole shape.

Multi-Sided

Rectangular

Round

Other
(Provide Sketch)

Pole/Frame Top View

Pole/Frame Side View

FIG. 1

3. Pole Specifications

Fill in the appropriate pole specifications: top diameter, taper, number of sides (if applicable), and pole material.

Note: For multi-sided steel poles, see details F or G depending on mounting style. For all other pole types, see detail F for thru-bolt mounting.

Pole Dimensions (ft & in)

Pole Top Diameter _____

Taper _____

Number of Sides _____

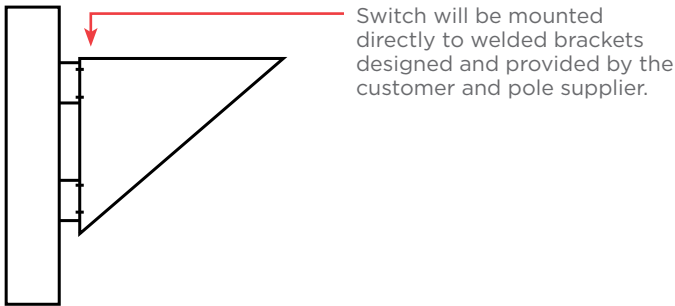

Pole Material

Round Wood	Multi-sided Steel Pole
Concrete	Thru-Bolt (Detail F)
Laminated Wood	Vang Mounted (Detail G)

Detail F (Thru-Bolt)

Detail G (Bracket Mount)

4. Contact Information

Fill in contact information and state if approvals drawings are needed.

***Marking the Approval Drawings box “NO” indicates that no approvals are required. Hubbell will provide record drawings and proceed directly to manufacturing.**

Are Approval Drawings Required?	Yes No	Customer Purchase Order Number _____
Contact Name _____		Customer Line/Job Name _____
Email Address _____		Customer Work Order Number _____
Phone Number _____		Sheet Number _____ of _____

5. Verify Order and Return Sheet

Please ensure that switch type selected on this form (eg. 1CD vs. 1CDT or 1CS2 vs. 1CS2T) matches the catalog ID on order. If a change is needed, contact customer service to revise order.

Provide this sheet along with Purchase Order for more effective order processing.
