iSTATION F-Connector Gold 3GHz

HUBBELL Advantage

- Hubbell iSTATION System Integration
- Standard Hubbell Keystone Opening
- 3GHz Bandwidth Capacity
- RoHS Compliant

FEATURES

- High performance, gold plated F-connector
- 3 GHz bandwidth performance

SPECIFICATIONS

- Connector:
  - Connector body: brass
  - Gold plated: 2µ"
  - Type: female to female
- Material:
  - Snap Fit connector body: flame retardant high impact thermoplastic
  - Rated UL 94 V-0
- Cable type:
  - RG6
  - RG59

PERFORMANCE

- Electrical:
  - Range: 3GHz
  - Impedance: 75 Ohms
- Mechanical:
  - Mating Cycles: 500+

STANDARDS

- UL Listed 1863
- RoHS Compliant

Hubbell's AV Gold 3GHz F-Connectors provide a perfect solution for distributing coaxial (RG-6 and RG-59) video signals to flat panel TVs, monitors, projectors and smart-boards. Requiring no soldering, these F-connectors install with a snap and provide a quick easy "screw-on" or "push-on" termination.

These F-Connectors are available in five standard colors and mount into all Hubbell iSTATION face plates, modules, frames, surface housings, Hubbell Delivery System products, including poke-throughs, surface raceway and Hubbell iSTATION UDX multimedia panels.

Create a customized multimedia workstation by adding a Gold 3GHz F-Connector along with Hubbell's extensive line of AV connectors, loaded modules, Category rated jacks and fiber connectors.

GENERAL INFORMATION

- Important: Always allow for clearance behind connection location to ensure for proper bend radius.
- Gold Plating: Gold plating encapsulates the connectors base metal (brass), preventing oxidation/corrosion from forming. It also has a more transparent (signal) conductive path over nickel (3x), which is closer to the copper over which it is transmitting.

APPLICATIONS

- TV, CCTV, CATV and satellites
- Home theaters and entertainment systems
- Security and surveillance systems

ORDERING INFORMATION

DIMENSIONS

Hubbell iSTATION F-Connector Gold 3GHz

Description	Unit of Measure	Catalog Number
Pass-thru, F/F coupler	1 per bag	**SFF3Gxx**

xx = Color: **AL** (Almond), **BK** (Black), **EI** (Electric Ivory), **GY** (Gray), **OW** (Office White), and **W** (White)

ACCESSORIES

Hubbell iSTATION Modular Face Plate Frames

	1-Gang	2-Gang
Office White	**IMF1xx**	**IMF2xx**
