

# CONDUCTOR PULLING SLEEVE

## TO SAVE TIME AND MONEY

### FEATURES

- Prevents conductor steel core slip during wire pulling of ACSS, ACSS/TW and ACSR/SD conductors - [See data sheet CC-21532](#) for specific conductor size sleeves.
- Helps to prevent conductor damage and costly re-stringing operations
- Cuts wire stringing time to achieve a secure grip on wire under stringing tension

Kellems® Pulling Grip

Conductor end after pulling

Pull-Stop Washer
