

# STRAND INSTALLATION PRODUCTS

## OPTIONS FOR STRAND INSTALLATION

Introducing three new options from Hubbell for installing strand.

### ON THE POLE:

#### Corner Attachment Bracket - PSC2080479

- Integral thimble eye pole attachment for deadending strand at angles of 35° to 60°
- Pole mounting surface is curved with integral spurs for stability
- Accommodates maximum 1/2" diameter strand/formed wire deadends
- Smooth seating surface - 1.3" diameter
- Mount bracket to pole with 5/8" hardware (Not included)

### MID-SPAN:

#### B Strand Connector - PSC2080286

- Interlocks two strands ranging in size from 3/16" to 1/2"
- Smooth seating surface - 1.8" diameter
- Meets Bellcore CA06677

### ON A WALL:

#### U Wall Strap - PSC2080291

- Deadend strands at right angles to mounting wall
- Mount strap to wall with 1/2" hardware (Not included) with 5 1/2" centerline spacing
- Diameter of strap - 3/4"
- Meets Bellcore CA06568
