

**Capacitor Switch Auxiliary Contact Options**

"X" marks that this option is available for that switch

Areas marked in gray indicate the option is not available for that switch

NOTE: Contact factory for other switch options

When adding an option from the tables below, part number for that switch is affected as follows:

	Replace last 2 digits	The part number for the standard CSD15-95 is 33050001. Selecting an option affects the last two digits of the part number, i.e., 330500XX, where XX is the option "SUFFIX" from Table 1 or Table 2 below.
Part	33050001	CSD15-95, standard switch, no accessories
Part + Option	33050009	CSD15-95, but with 240V motor operator

**Table 1**

Aux Options - 5-pin receptacle	Suffix	CSD	VS	UltraVac
Switch without (motor or solenoid) operator	08	X	X	
Form C Aux Switch (A & B contacts with LV supply common neutral - 3-wire)	02	X	X	X
