Load Control Duplex Receptacles for Automatic Receptacle Control

Meet Energy Conservation Codes and Standards

Wired or Wireless Applications

Integration with Centralized or Distributed Control Systems

The Load Control Duplex Receptacle is the latest addition to the Hubbell Wiring Device-Kellems comprehensive offering for automatic receptacle control. Featuring Hubbell’s exclusive and patented tamper-resistant mechanism, the unit is capable of controlling other receptacles downstream in the branch circuit.

Hubbell offers this innovative device in wired and wireless control options. The wired series is designed to be automatically controlled by a low voltage signal from occupancy sensors or any other type of control capable of performing this task, such as a time-of-day control device. The Clear Connect™ enabled wireless series is a wireless receiver that is controlled by the occupancy sensor. Both options are fully compatible with existing systems. This allows for easy additions and changes to meet today’s energy codes and standards in current facilities.

- Split or Fully Controlled 15A or 20A Options
- Wired or Wireless Options
- Downstream Branch Circuit Control
- Permanent NEC 406.3 (E) Markings
- UL498B SA Listed Receptacles with Integral Switching Comply with Supplement SA
- Fed Spec W596G

### Specifications

**Receptacle**
- Straight Blade Switched Duplex Receptacle  
- 2 Pole, 3 Wire Grounding
- Ratings: Uncontrolled (Always Hot) 20A, 125V, Controlled (Switched) Tungsten 12.5A, CFL & LED: 5A
- Motor Load: 1HP
- Certifications: cULus 498B, SA, UL File No. E481574, Fed. Spec. WC596G

**Environmental**
- Flammability: UL94V-2
- Operating Temperature: 32°F (0°C) to 104°F (40°C)

**Part**
- Description
  - Top: Nylon
  - Base: Nylon
  - Power Contacts: 0.031 in. (0.8) Brass
  - Wire Clamp: 0.062 in. (1.6) Steel-Nickel Finish
  - Mounting Strap: 0.047 in. (1.2) Brass
  - Line Terminal Screws: #8-32 Brass, Multiple Drive
  - Ground Screw: #8-32 Brass, Multiple Drive
  - Automatic Self-Grounding Staple: Stainless Steel
  - Mounting Screws: Zinc Plated Steel
