Safely and easily tackle garage projects.

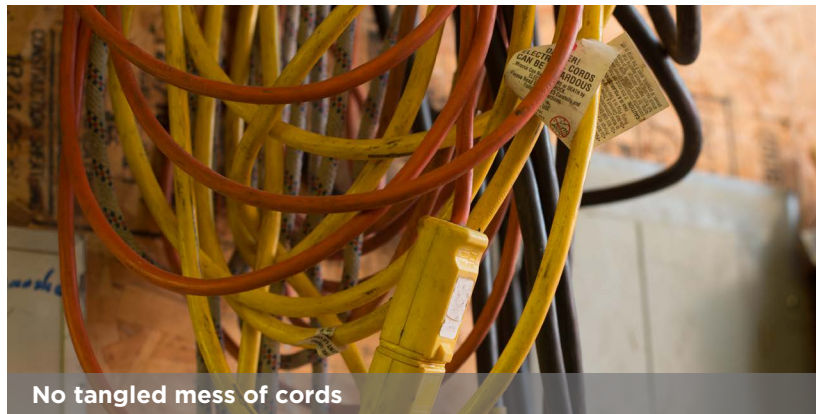

Charge golf carts

Vacuum your car

Easy power tool usage

No tangled mess of cords

Instant, convenient power to tackle your home and garden projects is now at your fingertips. The Hubbell inREACH cord reel makes tangled, unsafe extension cords a thing of the past.

- Avoid tangled cords
- 340° swivel bracket provides extra flexibility
- Spring loaded spool retraction easily maintains organized 45' cord and one duplex receptacle
- Heavy-duty construction to withstand rigorous use

Add an inREACH™ cord reel to upgrade your new home today!
