No cord, no problem!

Transform any space into a convenient charging zone

Hubbell’s Qi certified wireless chargers deliver a new convenience: you no longer have to deal with cords or poor connections while charging your devices. Designed to be aesthetically pleasing and durable, this device will organize your workplace or home, seamlessly transforming any ordinary space or counter into a organized, accessible “drop zone” to charge multiple devices at once.

Hubbell wireless chargers are ideal for use in commercial buildings, universities, hotels, offices, airports, restaurants, home renovations and new residential construction.
