

#### WEEE Statement

As a producer of Electronic and Electrical Equipment we are obliged to offer a take back scheme for any of our products marked with the WEEE symbol at the end of its life. If any of our customers or in certain cases other end users, require us to take back our product, they should contact us at the details below. We will agree the necessary arrangements for the return, proper treatment and recycling of the WEEE.

#### Battery Statement

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we Hubbell Ltd produce NiCd batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back industrial batteries of the same chemistry, they should contact us at the details below. We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.
