# Continental FASTTAP® Saddle Punch Tee

Continental Industries has developed and manufactures, FASTTAP® Saddle Punch Tees which are a quick and durable tap for PVC and PE water service lines. Our product allows you to tap in a safer manner by combining the functions of saddles, corporation stops and tapping machines into one dependable valve. The FASTTAP® is quickly gaining popularity with municipalities across the country. Below are the key features and benefits of FASTTAP® for your review. We hope you find interest in our product and we would like to offer a free sample (limited time offer) for you and your engineers to review first hand. Please call 1-800-558-1373 and ask for connector sales for your sample today!

## Features and Benefits:

- ◆ Quick 2 part application - reduces installation time by 50%
- ◆ Heavy duty PVC construction that handles impact and flexing
- ◆ High quality seal ring
- ◆ Coupon retaining durable brass tap
- ◆ Can be applied with water pressure in the line
- ◆ Meets NSF-61 Listed standards

Continental Industries has been manufacturing quality connections since 1958. Please call for your sample today (limited time offer) so you can see why the FASTTAP® is a great choice for your municipal water needs!
