thermOweld[®] Lightning Protection Catalog

Connecting Power to Your World[™]

Terms and Conditions

1. Agreement -the following terms and conditions of sale shall constitute the complete and final agreement between buyer and Burndy® LLC, hereinafter referred to as "seller", relating to the sale of seller's products or services and shall apply to all quotations, acknowledgements and purchase orders. None of these terms and conditions may be added to, modified, superseded or otherwise altered unless approved by seller in writing. Seller shall not be deemed to have waived these terms and conditions of sale if it fails to object to provisions appearing in, incorporated by reference in, or attached to buyer's purchase order. Buyer's silence or payment for, or acceptance of, or use of products or services related to any purchase order shall constitute an acceptance of these terms and conditions of sale.

2. Payment - Terms of payment are Net 30 Days from date of invoice, unless otherwise stated on the face of said invoice. Lawful interest may be charged on all overdue accounts.

3. Taxes - Any state, local, or federal taxes, excises or other charges now or hereafter imposed for which Seller may be liable as a result of sale, production, or transportation of the products sold hereunder, shall be charged to and paid by Buyer.

4. Prices - Unless otherwise stated in writing on a binding document, the prices herein shall not be increased or decreased except where SELLER raises or lowers its prices in its standard price list or under its standard pricing method for the same products and quantities, supplied under this Agreement. In such events Seller shall have the right but not the obligation, upon giving written notice to Buyer, to increase or decrease the prices payable under this Agreement on all material unshipped as of the date specified in such notice, by the same amount as the price list or standard pricing method increase or decrease.

5. Minimum Order Value – The minimum order value for each order is \$100. Orders for less than the minimum order value will be invoiced at the minimum order value.

6. Delivery - Title and Risk of Loss - Unless otherwise agreed, delivery of the goods shall be FOB Seller facility. Title and risk of loss shall vest in Buyer upon delivery of the goods to a common carrier.

7. Ship Date -The ship date stated on the acknowledgment is Seller's best approximation of the anticipated ship date, and shall not be deemed to represent afixed or guaranteed ship date. Unless otherwise agreed to by Seller, Seller reserves the right to ship at its convenience and shall not be liable for any changes in the date of shipment.

8. Testing; Designs - Unless otherwise agreed, the stated prices do not include any qualification testing, test data or the granting of any rights to Buyer for designs, drawings or inventions. All goods are governed by Seller part number and any Buyer numbers are used for reference purposes only. Goods may be ordered by federally controlled specification and/or part numbers where Seller parts are qualified or approved.

9. Tooling - Any Non-Recurring Engineering (NRE) charges invoiced by Seller shall not be deemed to grant Buyer any right, title or interest in any tools, dies, jigs, fixtures and items of like nature, or in any design, engineering, trade secret, patent or other proprietary rights embodied in the tooling, upon Buyer's payment of such charges and such items shall at all times be, and remain, the sole property of Seller.

10. Standard Packaging - Allocation - Purchase orders and releases must be based on standard packaging. In the event of inability for any reason to supply the total demand for the materials specified, Seller may allocate its available supply among any or all purchasers, as well as departments and divisions of Seller, on such basis as it may deem fair and reasonable without liability for any failure of performance that may result therefrom.

11. Quantities - On orders for non-stock items or special orders, where manufacturing processes make it difficult to provide the exact quantity specified, Seller reserves the right to undership or overship and invoice Buyer for total value of item up to -5% or +10% of quantity ordered. The above schedule shall be deemed acceptable unless Buyer states otherwise in writing at the inception of the order, so that extraordinary means may be taken to ensure shipment of exact quantity or acceptable deviation. Prices may then be subject to review and possible increase to compensate for additional costs, at Seller's option.

12. Warranty - Seller warrants that the goods and services, when furnished to Buyer by Seller conform to Seller's current written specifications and drawings, (or if applicable, with those of the Buyer, specifically accepted by Seller in writing) and will be free of defects in material and workmanship. Seller's sole obligation (and buyer's sole and exclusive remedy) for any breach under the foregoing warranty, or otherwise, shall be to repair (at location designated by seller) or, at seller's option, to replace fob the original point of delivery any goods which are non-conforming or defective and are so specified by buyer in written notice to seller within thirty (30) days after date of shipment. Seller makes no warranties of merchantability or fitness for a particular purpose, or any other express or implied warranty. The foregoing warranty shall not apply to goods that have been altered or repaired by anyone except seller's authorized employees, and shall not be enforceable until the goods and services have been paid for in full.

13. Patent Infringement - Seller shall, with respect to the regular sale and use of any product designed by Seller, indemnify Buyer from all damages and costs resulting from any claim that such goods constitute an infringement of any United States Patent, provided that Seller is promptly notified in writing of such claim, given the right to control the defense of any such claim, and such claim does not arise as a result of any application, use, or modification of such products by Buyer or others. Buyer agrees to fully defend, indemnify, and hold Seller harmless from any and all costs, expenses, damages, judgments or losses of any kind, including reasonable attorney's fees, arising from any claim, suit or demand that any goods manufactured by Seller according to Buyer's design, specifications, or instructions, infringe any United States Patent. This paragraph states the entire liability of either party with respect to any patent infringement.

14. Limitation of Liability - No claim of any kind, including patent infringement, whether as to goods or services delivered or for non-delivery of goods or services, shall be greater in amount than the purchase price of the goods or services in respect of which such damages are claimed, except as otherwise stated herein, seller will not, under any circumstances, be liable for the cost of removal or reinstallation of goods or the cost of disassembly or reassembly of equipment in connection therewith, or for loss of the use of buyer's equipment or facilities, or for loss of

business or good will or profits, or for cost of inspection or storage, or for any direct, indirect, incidental or consequential damages of any nature or description whatever which may arise from seller's sale of goods or services to buyer. Credit to the extent of the purchase price for goods found to be defective shall be allowed upon return of said goods, but only if (1) returned to designated locations upon obtaining specific written authorization from Seller and before expiration date, if any, and (2) a replacement order is issued by Buyer prior to return. A service charge may be applied upon any return of goods. Failure to give notice within thirty (30) days of ship date shall be the exclusive and sole remedy of buyer.

15. General Terms

a) Any claims for administrative errors must be made within thirty (30) days of receipt of goods, by written notice to Seller.

b) Errors or omissions of a clerical or mechanical nature appearing on the face hereof are subject to correction by Seller.

c) All terms of payment are subject to approval of Seller's Credit Department. Buyer represents to Seller that it is solvent. In the event that Buyer's financial condition shall become impaired prior to full payment to Seller, Buyer shall notify Seller immediately. In the event that Seller, in its sole judgment, finds Buyer's financial condition unsatisfactory to Seller (with or without notice from Buyer), Seller may exercise any or all of the following options: demand immediate payment; suspend all further deliveries; reclaim any goods not paid for; terminate relationship upon written notice to Buyer, without limitation of any other rights or remedies it has herein or under law.

d) All orders and release schedules placed by Buyer and accepted by Seller are considered firm and may not be canceled or changed in any way without prior written approval by Seller. Buyer assumes all risks and agrees to pay all charges applicable to any order cancellation or modification, deferred shipment or product return.

e) Buyer, in the event of its default in any of its obligations hereunder, shall be liable for all of Seller's damages, including its loss of actual or anticipated profits, reasonable attorneys' fees, costs of collections, with interest thereon at the prime rate, in addition to other remedies Seller shall have under law.

f) Seller's failure to insist upon strict performance of any of the terms herein shall not be deemed a waiver of any rights or remedies that Seller may have, and shall not be deemed a waiver of any subsequent breach or default in the terms, conditions, and covenants herein contained.

g) Seller shall not be liable for any failure to carry out its obligations under this agreement where such failure is due to any condition or happening whatsoever beyond its or its suppliers' reasonable control, including but not limited to: fire, windstorm, flood, earthquake, or other Acts of God; strikes, lockouts or other work stoppages; wars, riots, or civil commotion; government priorities, allocations, regulations or restrictions; interference or restraint of public authority (whether legal or not); explosion or accident; epidemic or quarantine restrictions; failure of its suppliers or subcontractors; shortage of raw materials or labor; or any other cause (whether or not of the same kind as those herein specified), which Seller cannot provide against by the exercise of reasonable diligence in its sole judgment. Quantities so affected may, at Seller's sole option, be eliminated without liability, but this agreement shall otherwise remain unaffected.

h) Headings are for convenience only and shall not be used in construing and interpreting this agreement.

i) Neither this agreement nor any rights hereunder may be assigned by Buyer, without the prior written consent of Seller. Seller may assign its rights, liabilities and obligations hereunder to any affiliate or subsidiary without prior written notice.

j) Any technical advice, recommendations and services rendered by the Seller, are based on data believed to be reliable, and are intended for use by skilled persons at their own risk. Seller assumes no responsibility to Buyer for events resulting or damages incurred from their use. They are not to be taken as a license to operate under or intended to suggest infringement of any process.

k) All quotations made by Seller are good for thirty (30) days unless otherwise noted.

16. Government Sales - For direct government sales, all terms and conditions, which are required by law for such sales, are incorporated herein by reference. For sales to a government contractor, only such laws, which are applicable and required of subcontractors of government contractors, are incorporated herein. Such terms and conditions for government contracts shall prevail over any of the standard terms and conditions listed above which may be inconsistent.

17. Compliance With Laws – Seller agrees to observe and comply with all applicable federal, state and local laws, rules, regulations and orders pertaining to the production and sale of goods or services; and in particular, Seller certifies that is has met all applicable requirements of the Occupational Safety and Health Act regulations; and that the goods or services were produced in accordance with the Fair Labor Standards Act and regulations.

18. Compliance with United States Import and Export Laws – Buyer shall ensure that all goods and services, including technical data, delivered by Seller to Buyer, including any subsequent sales, transfers or distribution of the same by Buyer, if imported, shall be in full compliance with applicable United States import laws and regulations. Buyer shall not export or re-export goods and services, including technical data, delivered by Seller to Buyer, except in full compliance with applicable U.S. export laws and regulations.

19. Applicable Law - Jurisdiction – Any legal claims shall be controlled under the laws of the State of New York. Seller and Buyer agree to accept and be bound by the exclusive jurisdiction of the federal and state courts of the State of Delaware. Terms and Conditions February 2013

thermOweld[®] UL LIGHTNING PROTECTION

Underwriters' Laboratories Inc. states: Each year thousands of properties are damaged or destroyed by lightning. Lightning accounts for more than one billion dollars annually in structural damage to buildings in the United States. What is not reported is the loss of business, downtime and liability that occurs when businesses or commercial tenants are forced to shut down to repair lightning damage. Insurers now require higher levels of safety for commercial buildings, schools, hospitals, institutions, historic landmarks, sports arenas and other public venues, including the installation of lightning protection systems.

Lightning protection systems provide a means by which this discharge may enter or leave the earth without passing through and damaging non-conductive parts of a structure it provides a means for controlling it and providing a low resistance path for discharge of lightning energy."

thermOweld[®] offers a complete line of Lightning Protection Products. We are willing to help you with the design of your system that meets UL, NFPA and LPI requirements.

LIGHTNING PROTECTION MINIMUM QUOTATION REQUIREMENTS

When quoting a lightning protection project there are some minimum requirements needed to create the proper proposal. Below is a list of minimum requirement needed.

- Architectural Roof Plan
- Architectural Roof Details
- Architectural Exterior Elevations
- Lightning Protection Specifications (Section 264100)

Additional documentation (if available)

If this additional information is available it would allow us to make sure there is no interference from other roof plans that would delay the completion of the project.

- Grounding Specifications
- Mechanical Roof Plan
- Plumbing Roof Plan
- Electrical Roof Plan
- Electrical Grounding Plan
- Electrical Lightning Protection Plan

Solid Aluminum

thermOweld[®] UL Lightning Protection UL Listed AIR TERMINALS

UL Listed Air Terminals

UL Listed Air Terminals are made of solid aluminum, copper, nickel plated, stainless steel, lead dipped or tinned* rod. They can be ordered with a standard 2" taper or safety tipped. * Tinned rod only available up to 24" lengths.

thermOweld[®] UL Lightning Protection UL Listed AIR TERMINAL ACCESSORIES

UL Listed Air Terminal Extension Rods

Solid Aluminum, Copper or Stainless Steel rod threaded at each end for use as a main conductor or air terminal extension. Available in lengths up to (144"). Specify length in inches, by replacing the "L" with the length in inches when ordering. UL Listed Example: 38-7594-48 = 1/2" Copper 48" long.

Catalog #	Product Description	Diameter (in)	Material
38-7590-"L"	Extension Rod	1/2"	Aluminum
38-7591-"L"	Extension Rod	5/8"	Aluminum
38-7593-"L"	Extension Rod	3/8"	Copper
38-7594-"L"	Extension Rod	1/2"	Copper
38-7595-"L"	Extension Rod	5/8"	Copper
38-7596-"L"	Extension Rod	3/4"	Copper

"L" = Length of Extension Rod in inches.

UL Listed Swivels

Cast aluminum or brass swivel action allows air terminals to level on most surfaces. Added jam nut allows swivel to be locked in place. UL Listed.

Catalog #	Product Description	Size	Material
38-7751-01	Swivel	1/2" female to 1/2" male	Aluminum
38-7751-00	Swivel	1/2" female to 5/8" male	Aluminum
38-7751-02	Swivel	1/2" male to 5/8" female	Aluminum

38-7494-60	Tripod Brace	72"
38-7494-72	Tripod Brace	84"
38-7494-84	Tripod Brace	96"

Other Sizes available upon request.

thermOweld[®] UL Lightning Protection UL LISTED AIR TERMINAL BASES

UL Listed Cast Multi-Purpose Point Base

UL Listed Cast Multi-purpose Point Bases

Catalog #	Product Description	Material
38-7806-11	Cast Multi-Purpose Point Base - For 1/2" Air Terminals	Brass
38-7806-01	Cast Multi-Purpose Point Base - For 1/2" Air Terminals	Aluminum
38-7806-12	Cast Multi-Purpose Point Base - For 5/8" Air Terminals	Brass
38-7806-02	Cast Multi-Purpose Point Base - For 5/8" Air Terminals	Aluminum

UL Listed Dual Mount Base

UL Listed Dual Mount Bases are cast and threaded for mounting on horizontal or vertical surfaces using screws, 1/4" bolts, 1/4" drive-in anchors, or an adhesive. Bolt tension cap can be turned so cables can run horizontal or vertical.

Catalog #	Product Description	Material
38-7239-01	Dual Mount Bases - for 1/2" Air Terminal	Aluminum
38-7239-02	Dual Mount Bases - for 5/8" Air Terminal	Aluminum
38-7239-10	Dual Mount Bases - for 3/8" Air Terminal	Bronze
38-7239-11	Dual Mount Bases - for 1/2" Air Terminal	Bronze
38-7239-12	Dual Mount Bases - for 5/8" Air Terminal	Bronze
38-7239-20	Dual Mount Bases - for 3/8" Air Terminal	Tinned
38-7239-21	Dual Mount Bases - for 1/2" Air Terminal	Tinned
38-7239-22	Dual Mount Bases - for 5/8" Air Terminal	Tinned

UL Listed Dual Mount Narrow Base

UL Listed Dual Mount Bases are cast and can be mounted either horizontally or vertically with screws, 1/4" bolt, or 1/4" drive-in-anchor. Bolt tension cap can be turned so cables run horizontal or vertical. Furnished for air terminal size 3/8" or 1/2".

Catalog #	Product Description	Material
38-7244-01	Dual Mount Bases - for 1/2" Air Terminal	Aluminum
38-7244-10	Dual Mount Bases - for 3/8" Air Terminal	Bronze
38-7244-11	Dual Mount Bases - for 1/2" Air Terminal	Bronze
38-7244-21	Dual Mount Bases - for 3/8" Air Terminal	Tinned
38-7244-22	Dual Mount Bases - for 1/2" Air Terminal	Tinned

Suitable for use with lightning protection cable range of approximately 29,000 to 212,000 circular mils.

38-7687-35	1/2" Terminal U-Bolt Dual Mount Base - Fits 4.5" to 6.75" OD Pipe, w/cable connector	Tinned
38-7687-36	5/8" Terminal U-Bolt Dual Mount Base - Fits 4.5" to 6.75" OD Pipe, w/cable connector	Tinned

UL Listed U-Bolt Pipe Mount Base with Cable Connector 6.00" to 8.625" Range

Catalog #	Product Description	Material
38-7688-21	1/2" Terminal U-Bolt Dual Mount Base - Fits 6.0" to 8.625" OD Pipe, w/cable connector	Aluminum
38-7688-22	5/8" Terminal U-Bolt Dual Mount Base - Fits 6.0" to 8.625" OD Pipe, w/cable connector	Aluminum
38-7688-34	3/8" Terminal U-Bolt Dual Mount Base - Fits 6.0" to 8.625" OD Pipe, w/cable connector	Tinned
38-7688-35	1/2" Terminal U-Bolt Dual Mount Base - Fits 6.0" to 8.625" OD Pipe, w/cable connector	Tinned
38-7688-36	5/8" Terminal U-Bolt Dual Mount Base - Fits 6.0" to 8.625" OD Pipe, w/cable connector	Tinned

thermOweld[®] UL Lightning Protection UL LISTED CONDUCTOR SPLICERS

UL Listed Parallel Splicers

UL Listed Parallel Cable Splicers are cast and is designed with one carriage bolt and 1-1/2" of contact on cables or wires. Designed so the bolt does not come through bottom of the splicer and penetrate roof membrane. May be used with full size cables and secondary bonding wire.

Catalog #	Product Description	Material
38-7248-00	Parallel Splicers (Single Carriage Bolt, 1-1/2" of contact)	Aluminum
38-7248-10	Parallel Splicers (Single Carriage Bolt, 1-1/2" of contact) Br	
38-7248-11	Parallel Splicers (Single Carriage Bolt, 1-1/2" of contact)	Tinned

UL Listed Parallel Splicers

UL Listed Cast Parallel Cable Splicers are designed with a double carriage bolt tension and 2" of contact on cables or wires. May be used with full size cables and secondary bonding wire.

Catalog #	Product Description	Material
38-7250-00	Parallel Splicers (Double Carriage Bolts, 2" of contact)	Aluminum
38-7250-10	Parallel Splicers (Double Carriage Bolts, 2" of contact)	Bronze
38-7250-11	Parallel Splicers (Double Carriage Bolts, 2" of contact)	Tinned

UL Listed Parallel Splicer

UL Listed Parallel Cable Splicers are cast and is designed with one carriage bolt. This splicer may be used with rod, cable, or bonding wire where less contact is acceptable.

Catalog #	Product Description	Material
38-7297-00	Parallel Splicers (Single Carriage Bolt, 1" of contact)	Aluminum
38-7297-10	Parallel Splicers (Single Carriage Bolt, 1" of contact)	Bronze
38-7297-11	Parallel Splicers (Single Carriage Bolt, 1" of contact)	Tinned

thermOweld® UL Lightning Protection UL LISTED CONDUCTOR SPLICERS

UL Listed Cast Parallel Splicer

UL Listed Cast Parallel Cable Splicers are designed with double bolt tension and 4" of contact on cable or wires. Splicer may be used with full size cables or secondary bonding wires.

Catalog #	Product Description	Material
38-7300-00	Cast Parallel Splicers (Double Carriage Bolts, 4" of contact)	Aluminum
38-7300-10	Cast Parallel Splicers (Double Carriage Bolts, 4" of contact)	Bronze
38-7300-11	Cast Parallel Splicers (Double Carriage Bolts, 4" of contact)	Tinned

UL Listed Cast Parallel Splicer

UL Listed Cast Parallel Cable Splicers are designed with double bolt tension and 2" of contact on cable or wires. Splicer may be used with full size cables or secondary bonding wires.

Catalog #	Product Description	Material
38-7301-00	Cast Parallel Splicers (Single Carriage Bolt, 2" of contact)	Aluminum
38-7301-10	Cast Parallel Splicers (Single Carriage Bolt, 2" of contact)	
38-7301-11	Cast Parallel Splicers (Single Carriage Bolt, 2" of contact)	Tinned

UL Listed Cast Straight Splicer

UL Listed Straight Cable Splicers are cast and is designed with four bolt cable tension - two per cable. This splicer is used to butt ends of cable in straight line. It is also available with set screws in lieu of bolts.

Catalog #	Product Description	Material
38-7299-00	Cast Straight Splicers	Aluminum Hex
38-7299-10	Cast Straight Splicers	Brass Hex

Suitable for use with lightning protection cable range of approximately 29,000 to 212,000 circular mils.

thermOweld[®] UL Lightning Protection UL LISTED CONDUCTOR SPLICERS

UL Listed Cast Tee Splicer

Cast tee cable splicer has bolt tension for connections with all main size conductors. UL listed

Catalog #	Product Description	Material
38-7492-00	Cast Tee Splicer	Aluminum
38-7492-10	Cast Tee Splicer	Bronze
38-7492-11	Cast Tee Splicer	Tinned

UL Listed Cross Run Splicer

Cast cross run cable splicer has 1-1/2" of contact with four bolt tension. For use with all full size cables. UL listed

Catalog #	Product Description	Material
38-7445-00	Cross Run Splicer	Aluminum
38-7445-10	Cross Run Splicer	Bronze
38-7445-11	Cross Run Splicer	Tinned

UL Listed Cast Bimetallic Splicer

UL Listed Cast Bimetallic Cable Splicers are designed for making connections between aluminum and copper cables in a straight line. Two-bolt tension on each cable for making a strong connection. Use with all main size conductors.

Catalog #	Product Description	Material
38-7346-00	Bimetallic Splicer - Cast	Aluminum to Copper

UL Listed Machined Bimetallic Splicer

Machined bimetallic cable splicer for making connections between aluminum and copper cables in a straight line. Used to make connections inside 1" PVC conduit. Use with all main size conductors. UL Listed

Catalog #	Product Description	Material
38-7346-10	Bimetallic Splicer - Machined	Aluminum to Copper

Suitable for use with lightning protection cable range of approximately 29,000 to 212,000 circular mils.

thermOweld® UL Lightning Protection UL LISTED CONDUCTOR SPLICERS

UL Listed Aluminum and Brass Cast Bimetallic 1-Bolt Parallel Splicer

Cast bimetallic cable splicer for making connections between Aluminum and Copper cables. Single bolt tension cap allows the cables to come from a variety of directions. Use with all main size conductors. Eliminates the use of an additional splicer. UL Listed

Catalog #	Product Description	Material
38-7764-00	Bimetallic Splicer - Cast	Aluminum to Brass

UL Listed Cable Disconnects

Cast cable disconnects are used for testing system continuity or ground resistance. Single bolt caps allow for easy disconnection. UL Listed

UL Listed Cable Disconnects

Catalog #	Product Description	Material
38-7530-10	Brass Cast Cable Disconnect	Brass
38-7530-00	Aluminum Cast Cable Disconnect	Aluminum

UL LISTED BONDING PLATES

UL Listed Cast Bonding Plate

Cast bonding plate with 3 square inches of contact. Bolt tension cap can be turned so cables can run horizontal or vertical. For use with all full size cables. UL listed.

Catalog #	Product Description	Material
38-7532-00	Cast Bonding Plate	Aluminum
38-7532-10	Cast Bonding Plate	Bronze
38-7532-11	Cast Bonding Plate	Tinned
38-7532-50	Cast Bonding Plate - Bimetallic	Alum/Brass

Suitable for use with lightning protection cable range of approximately 29,000 to 212,000 circular mils.

38-7536-52	1/2" Cast Bonding Lug - Bimetallic	Alum/Bronze

UL Listed Secondary Cast Bonding Lug

Cast terminal bonding lug with 2 bolt tension on secondary wires. Lug can be secured with a screw, 1/4" drive- in anchor, or 1/4" bolt. For use with all secondary wires. UL listed

Catalog #	Product Description	Material
38-7540-00	Secondary Cast Bonding Lug	Aluminum
38-7540-10	Secondary Cast Bonding Lug	Bronze
38-7540-20	Secondary Cast Bonding Lug	Stainless Steel
38-7540-11	Secondary Cast Bonding Lug	Tinned

thermOweld[®] UL Lightning Protection UL LISTED BONDING CLAMPS

UL Listed C-Clamp Bonding Clamp

Cast bonding clamp has 8 square inches of surface contact. C-type clamp allows easy installation on I-beams or other flat areas up to 1" thickness. Bolt tension cap has 1-1/2" of cable contact. For use with all full size cables. UL Listed

Catalog #	Product Description	Material
38-7537-00	C-Clamp Bonding Clamp	Aluminum
38-7537-10	C-Clamp Bonding Clamp	Bronze
38-7537-11	C-Clamp Bonding Clamp	Tinned

UL Listed C-Clamp Bonding Clamp

Cast bonding clamp has 8 square inches of surface contact. C-type allows easy installation on I-beams or other flat areas up to 3" thickness. Bolt tension cap has 1-1/2" of cable contact. For use with all full size cables. UL listed

Catalog #	Product Description	Material
38-7538-00	C-Clamp Bonding Clamp	Aluminum
38-7538-10	C-Clamp Bonding Clamp	Bronze
38-7538-11	C-Clamp Bonding Clamp	Tinned

UL Listed Bonding Clamp

Cast bolt tension bonding clamp with 3 square inches of contact secures to i-beams, purlin flange, etc. For use with all full size cables and secondary wires. UL listed

Catalog #	Product Description	Material
38-7541-00	Bonding Clamp	Aluminum
38-7541-10	Bonding Clamp	Bronze
38-7541-11	Bonding Clamp	Tinned

UL Listed Bonding Clamp

Cast bolt tension bonding clamp secures to i -beams, purlin flange, etc. For use with all full size cables and secondary wires. For secondary bond only. UL listed

Catalog #	Product Description	Material
38-7542-00	Bonding Clamp	Aluminum
38-7542-10	Bonding Clamp	Bronze
38-7542-11	Bonding Clamp	Tinned

thermOweld® UL Lightning Protection UL LISTED BONDING CLAMPS

UL Listed 1" U-Bolt Bonding Clamp

1" Cast U-Bolt Bonding Clamps for use with pipe or round bar sizes .400" to 1.315". Can be used with cable and wire sizes form #6 to 250 MCM. UL Listed.

Catalog Number	Material	Description
38-7420-00	Aluminum	1" U-Bolt Bonding Clamp - Fits .400" to 1.375" O.D. Pipe
38-7420-10	Bronze	1" U-Bolt Bonding Clamp - Fits .400" to 1.375" O.D. Pipe
38-7420-11	Tinned	1" U-Bolt Bonding Clamp - Fits .400" to 1.375" O.D. Pipe

Pipe Range 0.375" - 1"

Catalog Number	Material	Description
38-7421-00	Aluminum	2" U-Bolt Bonding Clamp - Fits 1.315" to 2.000" O.D. Pipe
38-7421-10	Bronze	2" U-Bolt Bonding Clamp - Fits 1.315" to 2.000" O.D. Pipe
38-7421-11	Tinned	2" U-Bolt Bonding Clamp - Fits 1.315" to 2.000" O.D. Pipe
38-7422-00	Aluminum	3" U-Bolt Bonding Clamp - Fits 1.900" to 3.000" O.D. Pipe
38-7422-10	Bronze	3" U-Bolt Bonding Clamp - Fits 1.900" to 3.000" O.D. Pipe
38-7422-11	Tinned	3" U-Bolt Bonding Clamp - Fits 1.900" to 3.000" O.D. Pipe
38-7423-00	Aluminum	4" U-Bolt Bonding Clamp - Fits 2.750" to 4.500" O.D. Pipe
38-7423-10	Bronze	4" U-Bolt Bonding Clamp - Fits 2.750" to 4.500" O.D. Pipe
38-7423-11	Tinned	4" U-Bolt Bonding Clamp - Fits 2.750" to 4.500" O.D. Pipe
38-7424-00	Aluminum	6" U-Bolt Bonding Clamp - Fits 4.500" to 6.750" O.D. Pipe

38-7424-11	Tinned	6" U-Bolt Bonding Clamp - Fits 4.500" to 6.750" O.D. Pipe
38-7711-00	Aluminum	8" U-Bolt Bonding Clamp - Fits 6.000" to 8.625" O.D. Pipe
38-7711-10	Bronze	8" U-Bolt Bonding Clamp - Fits 6.000" to 8.625" O.D. Pipe
38-7711-11	Tinned	8" U-Bolt Bonding Clamp - Fits 6.000" to 8.625" O.D. Pipe

Pipe Range 2" - 8"

UL Listed 2"-8" U-Bolt Bonding Clamp

2"-8" Cast U-Bolt Bonding Clamps provide 1-1/2" of contact on pipe or cable. Use with all full size conductors. Fits pipe sizes 1.315" to 8.625". Used to bond any metal body including grade level water pipe. UL Listed.

thermOweld® UL Lightning Protection UL LISTED BONDING CLAMPS

UL Listed Secondary Bonding Clamp

Cast bolt tension secondary bonding lug for connections to VTR's (Vent Through Roof), roof drains, flashings, etc. For use with secondary wire. UL listed

Catalog #	Product Description	Material
38-7539-00	Secondary Bonding Clamp	Aluminum
38-7539-10	Secondary Bonding Clamp	Bronze
38-7539-11	Secondary Bonding Clamp	Tinned

UL Listed Ground Rod Clamp

Cast bronze ground rod clamp has 1 1/2" of contact and two bolt tension. UL listed

Catalog #	Product Description	Material
38-7461-00	Ground Rod Clamp for 1/2" Rod	Bronze
38-7461-02	Ground Rod Clamp for 5/8" - 3/4" Rod	Bronze

UL Listed Flexible Bonding Strap

Extra Flexible Bonding Strap for use in moving or vibrating metal objects. The size of the Flexible bonding Strap is 3/4"-1" wide x 1/8" thick and comes in standard lengths of 10" and 12". Other lengths available upon request. UL listed

Catalog #	Product Description	Material
38-7709-10	10" Flexible Bonding Strap	Aluminum
38-7710-10	10" Flexible Bonding Strap	Tinned Copper
38-7709-12	12" Flexible Bonding Strap	Aluminum
38-7710-12	12" Flexible Bonding Strap	Tinned Copper

thermOweld® UL Lightning Protection UL LISTED THRU ROD ASSEMBLIES & ACCESSORIES

UL Listed Thru Rod Assembly with Two Cable Connectors

Threaded 1/2" rod with parallel cable connectors on each end. Comes standard with 1/2" Neoprene washer for weatherproofing the outside terminal end. UL Listed.

Catalog #	Product Description	Length	Material

- For sizes not listed, contact thermOweld[®].
- For heavy duty connections , contact thermOweld®.
- For expedited service, contact thermOweld[®].
- To order weld metal for use with EZ Lite Remote® insert TW before and EZ after weld metal number.

Required Tools;

- Handle Clamps w/ Flint Ignitor (see chart for correct handles) 38-0309-00 ~ Flint Ignitor or 38-EZLT-RU EZ Lite Remote®
- Other recommended accessories;
 - 38-3922-00 ~ Mold Cleaning Brush
 - 38-0135-00 ~ Cable Cleaning Brush
 - 38-0330-00 ~ Cable Clamp

 For sizes not listed, contact thermOweld[®].
• For heavy duty connections, contact thermOweld [®] .
 For expedited service, contact thermOweld[®].

- To order weld metal for use with EZ Lite Remote[®] insert TW
- before and EZ after weld metal number.
- Required Tools; Handle Clamps w/ Flint Ignitor (see chart for correct handles) 38-0309-00 ~ Flint Ignitor or 38-EZLT-RU EZ Lite Remote[®]
- Other recommended accessories; 40-0319-01 ~ Mold Cleaner for cartridge sizes #15-#65
 - 40-0319-03 ~ Mold Cleaner for cartridge sizes #90-#500
- 38-3922-00 ~ Mold Cleaning Brush
- 38-0135-00 ~ Cable Cleaning Brush
- 38-0330-00 ~ Cable Clamp

CR-1 TYPE MOLDS Horizontal Cable Terminal to Ground Rod For Lightning Protection Conductors

NOTES

- 1. Molds listed are for copper clad steel ground rods: $\frac{1}{2}$ rods are 0.475" diameter, 5/8" rods are 0.563" diameter, $\frac{3}{4}$ " rods are 0.682" diameter, and 1" rods are 0.914" diameter.
- 2. Molds are available for galvanized steel, stainless steel, and solid copper rods that are sold by actual diameter. The suffix "-N" is added to the mold number, i.e. M-XXX-N is for full sized rods.
- 3. Molds are available for sectional/threaded copper clad steel ground rods. The suffix "-T" is added to the mold number, i.e. M-XXX-T is for a sectional/threaded ground rod.

•	 For sizes not listed, contact thermOweld[®].
•	Molds listed are for copper clad ground rods. For welding to steel,
	stainless steel or galvanized steel ground rods add suffix "-N" to
	mold number.

- For heavy duty connections, contact thermOweld[®].
- For expedited service, contact thermOweld[®].
- To order weld metal for use with EZ Lite Remote $^{\circ}$ insert TW before and EZ after weld metal number.
- Required Tools;
 Handle Clamps w/ Elint k
- Handle Clamps w/ Flint Ignitor (see chart for correct handles) 38-0309-00 ~ Flint Ignitor or 38-EZLT-RU EZ Lite Remote®
- Other recommended accessories; 38-3922-00 ~ Mold Cleaning Brush
 - 38-0135-00 ~ Cable Cleaning Brush
 - 38-0304-00 ~ File
 - 38-0330-00 ~ Cable Clamp

NOTES

- 1. Molds listed are for copper clad steel ground rods: $\frac{1}{2}$ rods are 0.475" diameter, 5/8" rods are 0.563" diameter, $\frac{3}{4}$ " rods are 0.682" diameter, and 1" rods are 0.914" diameter.
- Molds are available for galvanized steel, stainless steel, and solid copper rods that are sold by actual diameter. The suffix "-N" is added to the mold number, i.e. M-XXX-N is for full sized rods.
- 3. Molds are available for sectional/threaded copper clad steel ground rods. The suffix "-T" is added to the mold number, i.e. M-XXX-T is for a sectional/threaded ground rod.

- Molds listed are for copper clad ground rods. For welding to steel, stainless steel or galvanized steel ground rods add suffix "-N" to mold number.
- For heavy duty connections, contact thermOweld[®].
- For expedited service, contact thermOweld[®].
- To order weld metal for use with EZ Lite Remote[®] insert TW before and EZ after weld metal number.
- Required Tools;
- Handle Clamps w/ Flint Ignitor (see chart for correct handles) 38-0309-00 ~ Flint Ignitor or 38-EZLT-RU EZ Lite Remote®
- Other recommended accessories;
 - 38-3922-00 ~ Mold Cleaning Brush
 - 38-0135-00 ~ Cable Cleaning Brush
 - 38-0304-00 ~ File 38-0330-00 ~ Cable Clamp

thermOweld [®] weld metal is the most reliable and consistently-performing weld metal available worldwide. Our continuousimprovement manufacturing process is supplemented with multiple quality validation steps for every lot we produce. Upon final acceptance, our weld metal is specially packaged in moisture-resistant plastic cartridges with special closure caps. Then the cartridges and required metal discs are packaged in moisture-resistant boxes with unique manufacturing lot codes. These lot codes are a thermOweld[®] innovation, providing complete traceability from raw material origination, through our multiple processing stages to shipment. Finally, thermOweld[®] applies special shrink-wrap plastic to every weld metal box, insuring reliable storage, positive field ignition and superior welds every time.

Every individual weld metal cartridge is marked with the size and weight in grams for easy identification, even when separated from the host box. thermOweld[®] weld metal is shipped worldwide to more than 50 countries via ground, air and ocean freight. All sizes of weld metal are available immediately with thermOweld's Same Day Service (SDS) shipment program.

Our engineers have formulated and created various weld metal types for application-specific use, including our standard formulations for, copper-to-copper, copper-to-steel and copper-to-copper-clad steel.

Standard Cartridge Size	Packed Per Box
#15	20
#25	20
#32	10
#45	20
#65	20
#90	10
#115	10
#150	10
#200	10
#250	10
#500	10

thermOweld[®] Weld Metal is sold in box quantities only.

Weld Metal Disks

Weld Metal Disks are used to hold the weld metal in place until the reaction occurs. One disk per weld is required. Disks are included with the weld metal.

Part #37-0320-01 ³/₄" Dia. Disk (For use w/ #15 thru #65 Weld Metal Cartridges) 20 pack Part #37-0320-02 1" Dia. Disk (For use w/ #90 thru #115 Weld Metal Cartridges) 10 pack Part #37-0320-03 1¹/₂" Dia. Disk (For use w/ #150 thru #500 Weld Metal Cartridges) 10 pack Part #37-6127-00 Disk Kit (Kit consists of a tube with 25 each of the above disks)
