

EU Declaration of Conformity

We hereby declare that the products listed below comply with the requirements of the ATEX Directive 2014/34/EU and have been type approved by an EU Notified Body as listed.

The products included on this Declaration of Conformity have been designed and manufactured in compliance with the international harmonised standards listed below:

We can declare that all products (where applicable) have been assessed against the following harmonised standards. No significant technical changes have occurred which affect any of the products listed, and we therefore declare conformance to the following harmonised standards where they apply to the products.

Hawke International
