

## Power where you need it, **when you need it!**

Hubbell's Pop-Up Receptacles for countertops provide a power source ideal for residential and commercial locations. Hubbell is the first to market a cULus countertop receptacle. Silicone gaskets built into the receptacle create a water-resistant seal for up to 8 cups of liquid.

### Because Spills Happen

- Spill water tested
- Self sealing silicone gaskets at the face
- Watertight interior

### Install With Ease

- Permanent installation ready for hardwire
- Accepts AC90 or NMD90 wire
- Suitable for 20 Amp circuit, end of line
- Push-down to pop-up function is rated for a minimum of 10,000 cycles
- Tower design ensures secure fitment

### User Friendly

- Type A and C USB ports
- LED Light indicates power to the ports

### Certified

- cULus Listed for countertop installation
- Meets NEC 406.5(E), plug-in products are non-compliant
