Products are tested to UL 1565 & CSA C22.2 No. 18.5-13,
US/ Canadian standards for safety Positioning Device.

WIRE MANAGEMENT PRODUCTS-FEATURES

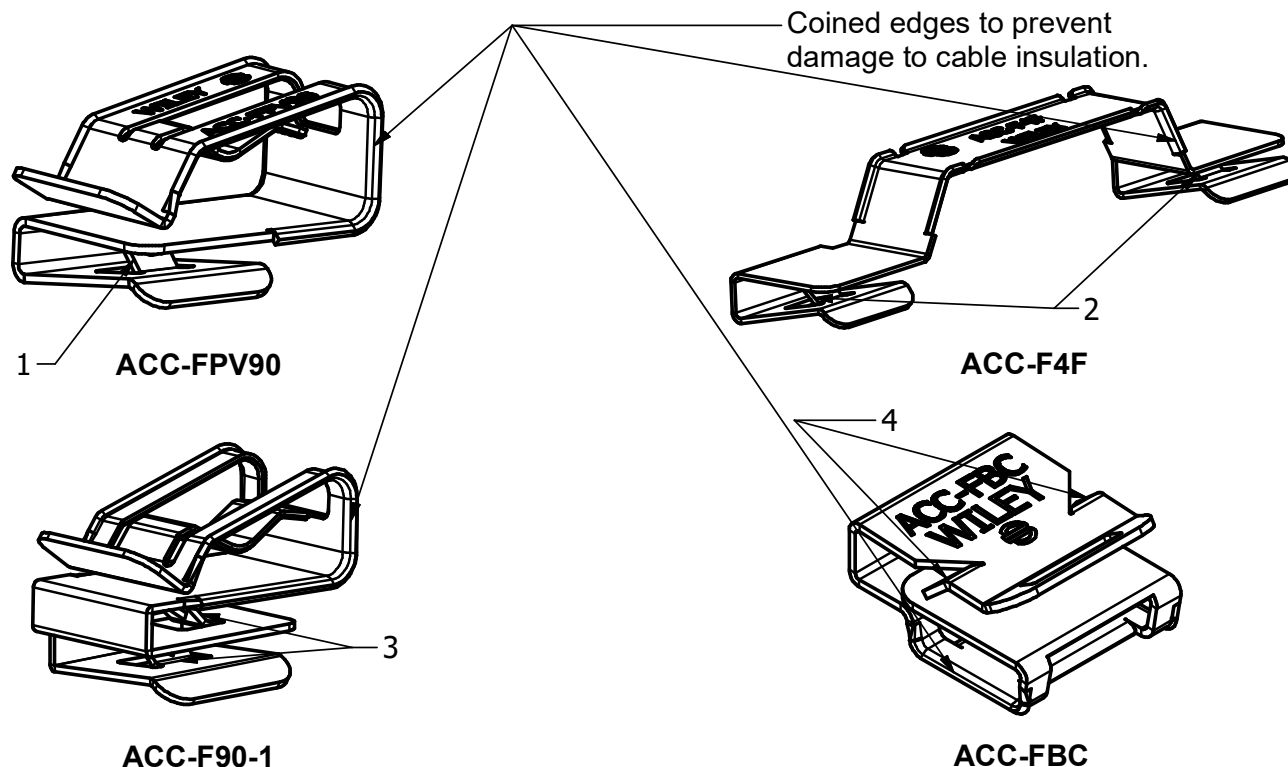

ACME CABLE CLIPS-SOLUTIONS

Engineered for high-quality wire management solutions, Wiley Cable Clips simplify wire management and leads to safer and more reliable wiring of the solar PV array.

The clips are made of corrosion resistant 304 stainless steel, which makes them a durable, long lasting and reliable solution for all environments.

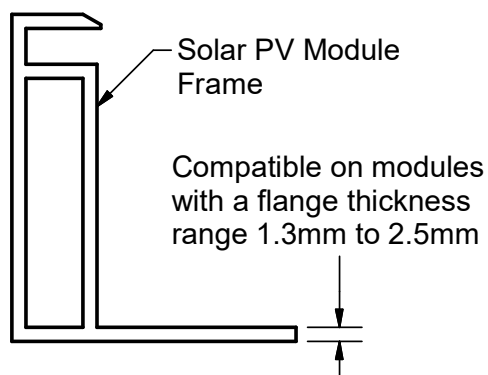

The design is easy to install, no tool is required to install and reusable.

Custom designs are available upon request. For more information regarding module compatibility, please see the technical documents section of our website.

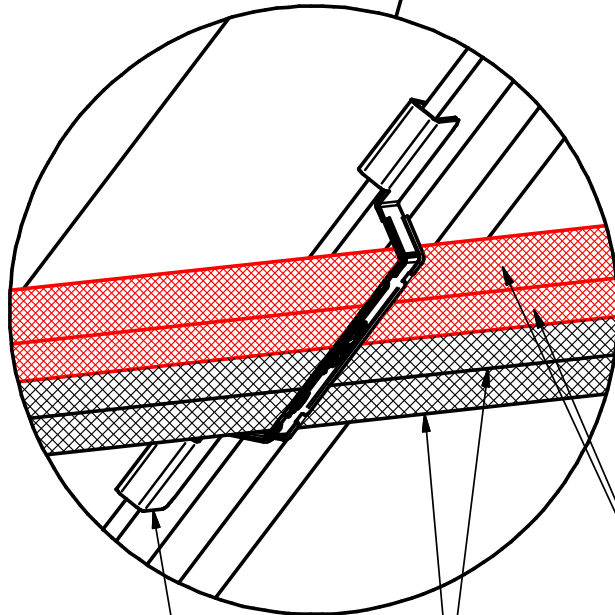

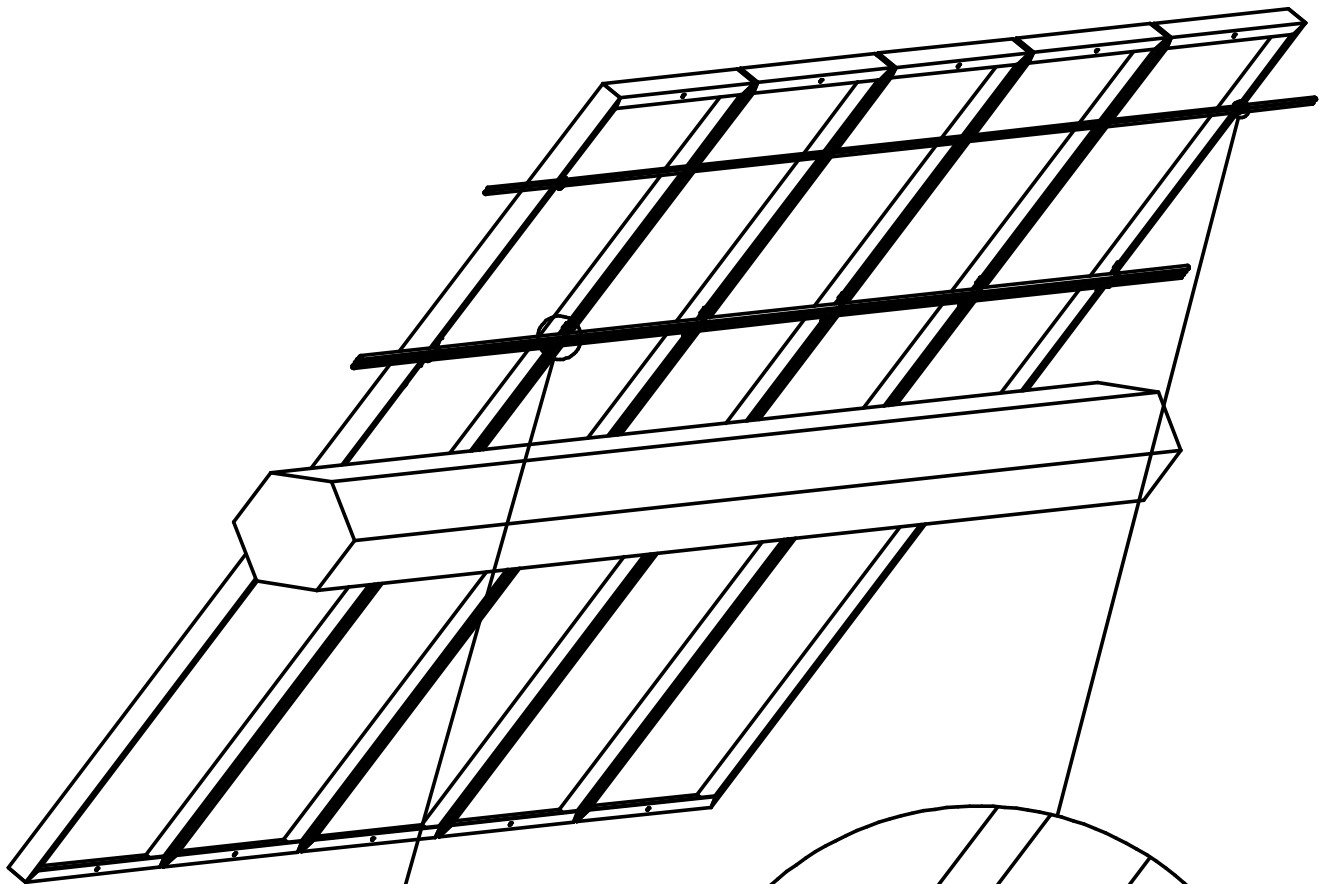

*The above mentioned 1,2,3 and 4 are special tabs for easy installation and removal.
