

# SLOTTED TERMINALS

BURNDY®, a leading manufacturer and provider of connector solutions to the industrial, energy, construction, telecommunication, petrochemical, data center and transportation industries, announces the introduction of their slotted terminal product line.

The terminals are UL Listed and CSA Certified. Connectors are made of high conductivity copper and electro-tin plated. These are offered in a wide conductor range (#10 Str to 4/0 kcmil). Slotted stud provides built in flexibility for the terminal to conform to various spacing requirements.
