

# Grounding a Fence?

*Have we got the connector for you!*

## Introducing the Fence Fabric Ground Clamps

Easily attached to the wire mesh of a chain link fence (acceptable on barbed wire too), our newest addition to The Grounding Superstore™ makes fence grounding a breeze! The unique design allows the clamp to form a connection at virtually any angle. Five different sizes cover from #8 conductor up to 2/0. Installed using a standard torque wrench, these clamps are perfect for electrical or substation contractors looking for an easy and effective way to ground their fences.
