

# Grounding Kits

## Get it together!

BURNDY is excited to announce a new addition to The Grounding Superstore™, our Grounding Kits. These kits offer conveniently packaged components which simplify the decision-making process at material acquisition and installation on the job site.

Our new Grounding Kits bundle the same quality UL Listed connectors you trust with value-adding components such as: conductor, installation hardware, oxide inhibitor, labeling and installation instructions as an example. The kits are available in multiple variations and can be customized for your specific requirements upon request.
