723-001 Remote Handset/Speaker Amplifier Quick Installation Guide

Important Safety Instructions

1. Read, follow, and retain instructions – All safety and operating instructions should be read and followed before operating the unit. Retain instructions for future reference.
2. Heed warnings – Adhere to all warnings on the unit and in the operating instructions.
3. Attachments – Attachments not recommended by the product manufacturer should not be used, as they may cause hazards.

⚠ WARNING ⚠ Explosion Hazard – Substitution of components may impair suitability for Class 1, Div. 2 usage.

⚠ CAUTION ⚠ Do not install this equipment in hazardous areas other than those indicated on the equipment approval list in the Specifications section of this manual. Such installation may cause a safety hazard and consequent injury or property damage.

General Information and Available Options

This guide covers the installation of the 723-001 Page/Party® Remote Handset/Speaker Amplifier. It has been designed to be remotely mounted within an enclosure, allowing associated subsets to be placed on a desktop, mounted on the side of a desk, or to be flush-mounted. Figure 1 shows the 723-001 Remote Handset/Speaker Amplifier mounted in a 7245 series enclosure and connected to a 7265-101 Desktop Subset. It can be used in single or multi-party systems.

Refer to Pub. 42004-145 at the “Manuals & Specs” link at www.gai-tronics.com for detailed explanations and warranty.

Mounting and Connection

⚠ WARNING ⚠ Do not install this equipment in hazardous areas. Such installations may cause a safety hazard and consequent injury or property damage.

1. To install the remote handset/speaker amplifier, plug the amplifier into the appropriate enclosure and tighten the four screws in the corners of the amplifier. See Figure 1 for the typical installation details.
2. In Figure 1, the handset/speaker amplifier is shown mounted in the 7245 series enclosure and connected to the 7265-101 Desktop Subset. Although your specific configuration may be different, installation details will be the same.
3. The following adjustments are accessible through the rear chassis of the remote amplifier using a small standard screwdriver. Each adjustment is clearly labeled:
 - *Microphone Gain*: adjusts the gain level from the microphone signal to the page or party lines.
 - *Receiver Sidetone*: adjusts the signal transmitted from the microphone to the receiver of a handset.
 - *Receiver Volume*: adjusts the gain level from a party line to the receiver.

The following table lists some hints to aid technicians in troubleshooting:

Problem	Solution
Feedback/distortion (a hum or buzz on the line) occurs during all Page/Party® station operation.	The line may be improperly terminated. Inspect the system cable for loose connections, shorts, and grounds. Line balance assembly connections are critical.
Associated speaker level requires adjustment.	<ol style="list-style-type: none"> 1. Adjust the speaker volume control located on the front panel of the subset, if equipped. Refer to Figure 1 2. Adjust the speaker volume control at the amplifier. Use a small standard screwdriver to perform these adjustments. Refer to Figure 1.

Approval NRTL certified for use in US and Canada Class I, Div. 2, Groups A, B, C, D,
when mounted into a certified GAI-Tronics 7245 series amplifier enclosure

Temperature Code..... T3C (Maximum ambient = 70° C)

CE Mark

Warranty

Equipment. GAI-Tronics warrants for a period of one (1) year from the date of shipment, that any GAI-Tronics equipment supplied hereunder shall be free of defects in material and workmanship, shall comply with the then-current product specifications and product literature, and if applicable, shall be fit for the purpose specified in the agreed-upon quotation or proposal document. If (a) Seller's goods prove to be defective in workmanship and/or material under normal and proper usage, or unfit for the purpose specified and agreed upon, and (b) Buyer's claim is made within the warranty period set forth above, Buyer may return such goods to GAI-Tronics' nearest depot repair facility, freight prepaid, at which time they will be repaired or replaced, at Seller's option, without charge to Buyer. Repair or replacement shall be Buyer's sole and exclusive remedy. The warranty period on any repaired or replacement equipment shall be the greater of the ninety (90) day repair warranty or one (1) year from the date the original equipment was shipped. In no event shall GAI-Tronics warranty obligations with respect to equipment exceed 100% of the total cost of the equipment supplied hereunder. Buyer may also be entitled to the manufacturer's warranty on any third-party goods supplied by GAI-Tronics hereunder. The applicability of any such third-party warranty will be determined by GAI-Tronics.

Services. Any services GAI-Tronics provides hereunder, whether directly or through subcontractors, shall be performed in accordance with the standard of care with which such services are normally provided in the industry. If the services fail to meet the applicable industry standard, GAI-Tronics will re-perform such services at no cost to buyer to correct said deficiency to Company's satisfaction provided any and all issues are identified prior to the demobilization of the Contractor's personnel from the work site. Re-performance of services shall be Buyer's sole and exclusive remedy, and in no event shall GAI-Tronics warranty obligations with respect to services exceed 100% of the total cost of the services provided hereunder.

Warranty Periods. Every claim by Buyer alleging a defect in the goods and/or services provided hereunder shall be deemed waived unless such claim is made in writing within the applicable warranty periods as set forth above. Provided, however, that if the defect complained of is latent and not discoverable within the above warranty periods, every claim arising on account of such latent defect shall be deemed waived unless it is made in writing within a reasonable time after such latent defect is or should have been discovered by Buyer.

Limitations / Exclusions. The warranties herein shall not apply to, and GAI-Tronics shall not be responsible for, any damage to the goods or failure of the services supplied hereunder, to the extent caused by Buyer's neglect, failure to follow operational and maintenance procedures provided with the equipment, or the use of technicians not specifically authorized by GAI-Tronics to maintain or service the equipment. **THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES AND REMEDIES, WHETHER EXPRESS OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

Return Policy

If the equipment requires service, contact your Regional Service Center for a return authorization number (RA#). Equipment should be shipped prepaid to GAI-Tronics with a return authorization number and a purchase order number. If the equipment is under warranty, repairs or a replacement will be made in accordance with the warranty policy set forth above. Please include a written explanation of all defects to assist our technicians in their troubleshooting efforts.

Call 800-492-1212 (inside the USA) or 610-777-1374 (outside the USA) for help identifying the Regional Service Center closest to you.
