

WEEE Statement

As a producer of Electronic and Electrical Equipment we are obliged to offer a take back scheme for any of our products placed on the UK market marked with the WEEE symbol at the end of its life. If any of our customers in the UK or in certain cases other end users, require us to take back our product, they should contact us at the details below. We will agree the necessary arrangements for the return, proper treatment and recycling of the WEEE.

Battery Statement

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we Hubbell Ltd place on the market: NiMh, NiCd and Lead Acid batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling for batteries that are of the same chemistry that have been placed onto the UK market. We are required to do this in any calendar year we place new industrial batteries on the UK market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us at the details below. We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.
