Accessories for GAI-Tronics Products & Systems

ACOUSTIC HOOD - 9dB

Compatible with Auteldac Telephones

- Stainless steel rivets
- Wall or post mounting
- Part No. 501-09-0074-701 9dB, yellow
- Part No. 501 9dB, red-09-0074-702

See brochure B058 for more information

ACOUSTIC HOOD - 16dB

Compatible with GAI-Tronics Telephones

- Zintec steel powder coated
- Designed for prisons and remand centres
- Part No. 988-61-0001-000 16dB

See brochure B058 for more information

ACOUSTIC HOOD - 23dB

Compatible with GAI-Tronics telephones, Page/Party® equipment and Elemecplus external accesspanels

- Part No. 988-60-0002-XXX

See brochure B080 for more information and Part numbers

PSTN MOUNTING POST

For use with PHP400 Help Point

- All cabling routed internally
- 1 button PHP400 will be 1200mm from ground
- 2 button PHP400: upper button 1228mm from ground, lower button 1171mm

- Part No. 100-02-0697-002

PSTN MOUNTING POST

For use with GAI-Tronics Telephones

- Zinc plated, powder coat finish
- All cabling routed internally
- 1.14M from bottom of phone to ground
- 1.57M total height

- Part No. 100-02-0082-001 (grey)
- Part No. 100-02-0082-002 (yellow)
- Part No. 100-02-0082-003 (galvanised)

SOLAR POST

For use with GAI-Tronics Analogue and GSM Telephones

- Weight (Post): ~30kg
- Rugged Telephone and Solar Panel ordered as a separate Part Number

- Part No. 501-20-0696-001 (orange)
- Part No. 501-20-0696-002 (galvanised)
- Part No. 501-20-0696-003 (yellow)

SIDE OF POST MOUNTING KIT

Available for all types of GAI-Tronics telephone

- Fits round poles 100mm - 200mm diameter
- Fits square or rectangular section uprights with mounting surface of 100mm - 150mm
- Banding not supplied
- 0.5 kg

- Part No. 100-02-0281-001

TOP OF POST MOUNTING KIT

For mounting all types of GAI-Tronics telephones on top of 50mm diameter posts

- Bracket complete with 4 fixing screws
- Galvanised fabricated finish
- 18.5 x 7.5 x 50.5 cm
- 3.5 kg

- Part No. 100-02-0209-001

HOOD POST

Suitable for use with telephone Hoods

- 2M high
- Galvanised (standard) & Marine Grade paint finish to RAL 1006

- Hood post, galvanised
- Part No. 501-20-0875-001
- Hood Post Fixing Kit, galvanised
- Part No. 501-20-0875-003
