Benefits

SAFETY

Visually verify visitors to limit facility access.

INTEGRATION

IP Connectivity allows for integration into an existing network through standard Ethernet cables.

CONTACTLESS COMMUNICATION

Limit face-to-face interaction, maintaining social-distance standards during COVID-19 pandemic

COST

No licensing fees imposed by manufacturer.
Decreased security liability.

SECURITY

Integrated video and output control capability to ensure a facility remains secure and alert.

Simple installation on an existing IP Network.

Choose from a variety of hands-free or handset master stations including desktop, flush-mount, and wall-mount.

Contact your sales representative or call our toll-free sales hotline for further information at 1-800-492-1212.
