MASQUE® Wall Plate Summary

Decorator Cover Series Wall Plates

Application

Decorator Covers improve the appearance of a room in seconds, creating a designer decorator look by covering old outlets instead of replacing them. There is no need to re-wire, saving time and money.

Product Features

- Completely covers old outdated outlets and switches
- Jumbo size easily hides excessive paint edge buildup from years of paint over
- Saves time and money
- Contemporary look with smooth finish for easy cleaning
- Unbreakable PVC won't crack or distort during installation
- Includes screw(s) in matching finish
