

PUZZLE-PLATE® CABLE PROTECTORS

Application

Protects nonmetallic sheathed cable or raceway type wires running through wood studs from accidental nail, screw, or drill penetration. Also applies to plumbing to protect nonmetallic piping.

Features

- RACO's innovative, interlocking design of the PUZZLE-PLATE cable protector does not allow nail or screw penetration through gaps or holes
- Pre-galvanized steel construction for added corrosion protection
- Two lengths: 2-3/4" or 5"
- No additional hardware required, just position and hammer down spurs
- Unique interlocking feature allows installer to easily increase area that requires protection
- Contractor packs or individually bar coded pieces
- Made in USA
