# RETRO-BRACE® Ceiling Fan Support for Engineered Joists

*Add 4" Round Ceiling-Fan Rated Pan to Old Work with Engineered Wood Joists*

## Application

RACO's 939 RETRO-BRACE® Support makes it easy to add ceiling paddle fans or heavy lighting fixtures in Old Work applications that use engineered wood joists. Our tool-free design minimizes disruption of the ceiling and installs quickly. Kit includes everything needed for the installation.

## Features

- RETRO-BRACE® is adjustable for joist spacing from 16" to 24"
- RETRO-BRACE® has simple tool-free expansion of brace
- Up-front ground screw for easy installation
- #10-32 ceiling fan and #8-32 provision for fixture mounting screws
- Easy-to-follow instructions and mounting hardware included
- INSIDER® nonmetallic sheathed cable connector included
- 70 Lbs. ceiling fan, 110 Lbs. fixture support\*
- cULus Listed
