FOR IMMEDIATE RELEASE

Jumbo In-Use Outlet Cover from TayMac

South Bend, Indiana May 22, 2018 – Just in time for spring rains across North America, TayMac has you covered with the MX7200 Jumbo RaynGuard® Cover. The metallic weatherproof outlet cover provides extra room for outdoor cords and plugs. TayMac, part of Hubbell Commercial Construction, provides innovative electrical products to industrial, commercial and residential markets.

TayMac's MX7200 is a 2-gang die-cast aluminum In-Use cover. It offers an extra roomy 5-1/8in deep space for outdoor cords and plugs. Included adapters provide 55-in-1 configuration possibilities for GFCI outlets, duplex outlets, switches, round devices and more.

Features of the MX7200 include a hasp for full size padlock (up to a 1/4in shackle), a cord catch and rain chamber for splash protection. This model also features TayMac's patented Quick-Fit keyhole mounting system, which allows the cover to be installed in under one minute.

The MX7200 meets or exceeds Extra-Duty requirements for in-use weatherproof outdoor covers. It is NEMA 3R and NEC compliant. TayMac's Jumbo cover features a premium powder coat Gray finish. It includes a gasket and all mounting hardware.

The TayMac MX7200 Jumbo *RaynGuard* Metallic Cover is available now. Find more information at www.hubbell.com. Follow the brand on [LinkedIn](#) and [Twitter](#).

About Hubbell Commercial Construction

Hubbell Commercial Construction includes five brands that provide innovative and cost-effective electrical products with superior customer service for commercial and/or residential markets. RACO creates electrical boxes, covers, and fittings. TayMac crafts "while in use" covers for outdoor electrical applications. Bell produces weatherproof boxes, covers and outdoor lighting. Wiegmann offers the most complete line of electrical enclosures for OEM, Commercial Construction, and MRO markets. Acme manufactures power conversion and conditioning equipment for industrial, commercial and OEM applications.

These historic brands are part of Hubbell Incorporated, one of the largest electrical manufacturers in North America. The company's history of innovation extends back to 1889. Founder Harvey Hubbell invented the pull chain light switch and duplex receptacle.
