## Commercial and Industrial Enclosures

# FILTER FAN RAIN HOODS

## Protect Externally Mounted Filter Fans and Maintain NEMA 4/4X Rating.

Protect filter fans and exhaust grilles installed on the outside of electrical enclosures with the Wiegmann N4X Rain Hood. Designed to maintain a NEMA 4/4X rating when installed according to the instruction manual, it eliminates the high expense of a sealed air conditioning unit. No need to spend thousands of dollars to cool down the inside of an electrical enclosure.

- Protects from rain, sleet and snow, as well as washdown procedures
- NEMA 4X rated
- Saves money
- Easy to install: Mount the supplied brackets and slide the rain hood into place
- Easy to remove: Lift to gain access to fans and filters for maintenance
- Constructed of 304 Stainless Steel with continuous seam welding
- Replaceable silicone gasket is included
- All necessary hardware and instruction manual provided

NEMA Types 1, 3R, 3RX, 4, 4X, 12, 13  
UL File E358386
