Wiring Device-Kellems

Market Opportunity and Product Selection Guide

FASTENAL®

Hubbell Wiring-Device Kellems... The Name All Your Customers Know

- Bin Stocking/VMI Support for Cost Savings and Enhanced Productivity
- Safety Solutions for Equipment and Personal Protection
- Green Products for Sustainable Building Design and Energy Savings
- Complete Solutions for the Markets You Serve

www.hubbell-wiring.com

As the Industry Leader - We've Got You Covered!
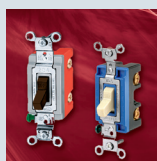

Straight Blade Devices
- HBL® Extra Heavy Duty
- Hospital Grade
- Hubbell-Pro Heavy Duty
- SNAP*Connect*™
- Commercial Specification Grade
- Insulgrip®, Elastogrip®, Valise® Plugs & Connector Bodies
- DIN Rail Utility Box

Twist-Lock® and Hubbellock® Devices
- Midget Twist-Lock®
- 15A Twist-Lock®
- 20A & 30A Twist-Lock®
- Watertight Safety-Shroud® Twist-Lock System
- Switched Safety Enclosures
- 50A Twist-Lock®
- Hubbellock®

Switches
- HBL® Extra Heavy Duty Ind. Grade
- Hubbell-Pro Heavy Duty Industrial Series
- Specification Grade Commercial Series
- Style Line® Decorator Series Spec. Grade
- Panel Mount Bat Handle Switches
- Manual Motor Controllers
- Switched Enclosures

H-MOSS® Occupancy Sensors
- Wall Switches
- Ceiling Sensors
- Passive Infrared
- Ultrasonic
- Dual Technology
- Adaptive Technology
- Specifications & Wiring Schematics

Pin & Sleeve Devices/Mechanical Interlocks
- IEC Pin & Sleeve Watertight Devices
- Low Profile IEC Pin & Sleeve Devices
- Unfused Circuit-Lock® Mechanical Interlocks
- Fused Circuit-Lock® Safety Interlocks
- UL 1686 C1 Insulgrip® Pin & Sleeve Devices
- Insulgrip® Mechanical Interlocks

Ground Fault Products
- Industrial Tamper-Resistant Series
- Series with Auto Grounding
- Commercial Series
- Commercial Self-Test Series
- Sensing Module
- Portable Products

Single Pole Devices
- 300A & 400A, 600V AC 250V DC Single Pole Devices
- Plugs, Receptacles and Protective Caps
- "T's", Tri-Taps and Distribution Block
- Double Devices, Snap Back Cover and Accessories

Floor Boxes
- SystemOne Metal & Non-Metallic Floor Boxes
- Flush Round & Rectangular Floor Boxes
- Convention Center Utility Box
- CONNEXION Zone Distribution System
- Furniture Connectivity Boxes
- Hubbell Multi-Connect Wall Box

Fire-Rated Poke-Through (FRPT) Devices
- SystemOne FRPT
- SystemOne FRPT Sub-Plates
- SystemOne FRPT Config. Chart
- 2X2 Flush FRPT
- Flush Duplex FRPT
- Flush Furniture Feed FRPT
- Painted Pedestal FRPT

Aluminum Service Poles
- Specifications and Dimensional Information
- Custom Pole Configurations
- Division 16 Specifications

Metal and Non-Metallic Raceway
- Metal Raceway and PlugTrak®
- Aluminum Raceway and PlugTrak®
- Non-Metallic Raceway and PlugTrak®
- Pre-Wired Raceway

Network Wiring Products
- Modular Keystone Jacks
- Audio/Video Connectors
- iSTATION™ Plates, Frames & Modules
- iSTATION™ Surface Mount Boxes
- Fiber Adapters, Enclosures and Panels
- Patch Cords and Modular Plugs
- Enclosures and Racks
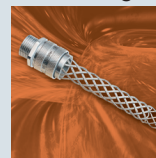

Hose and Cable Protection Systems
- 5 Channel AccessTrak®
- TrukTrak®
- TredTrak®
- FloorTrak®

Temporary Power and Lighting Systems
- Spider® Distribution System
- Portable Outlet Boxes and Plates
- Pre-Wired Portable Outlet Boxes, Work Lights and Accessories
- Temporary Power Distribution Systems Dimensional Specifications

Wire Management Products
- Pulling Grips
- Support Grips
- Fiber Optic Cable Grips
- Strain Relief for Flexible Cords
- Cord Connectors
- PolyTuff® Non-Metallic Liquidtight Conduit and Tubing

INDUSTRIAL MRO

The Industrial Leader Continues To Innovate - Hubbell Wiring Device - Kellems has long set the standard for innovation, performance, durability, safety and convenience. The innovations that power industrial locations throughout the world have always been and continue to be conceived, created and improved by Hubbell engineers. In fact, we helped create the very ways power is delivered and controlled in industrial applications.

Manufacturing Plants
Twist-Lock® Receptacles, Plugs & Connectors
NEMA 4X Disconnect Switches
IEC Pin and Sleeve Devices
Mechanical Interlocks
Single-Pole Locking Devices
Extra Heavy Duty Straight Blade Devices

Refinery / Chemical
Mechanical Interlocks
SpikeShield® Power Quality Products
UL 1686 Pin & Sleeve (Metallic)
Cord and Static Discharge Reels
Corrosion Resistant Wiring Devices
Twist-Lock® Receptacles, Plugs & Connectors

Food Processing
NEMA 4X Disconnect Switches & Enclosures
Mechanical Interlocks
Watertight Safety-Shroud® Twist-Lock®
Lockout / Tagout Devices
Watertight Straight Blade Devices
IEC Pin & Sleeve Devices

Material Handling
Motor Control / Disconnect Switches
Mechanical Interlocks
NEMA 4X Disconnect Switches
50 Amp Twist-Lock® Devices
LINKOSITY® Connectivity & Control Products
Twist-Lock® Receptacles, Plugs & Connectors

Welding
IEC Pin & Sleeve Devices
UL 1686 Pin & Sleeve (Metallic)
50A Twist-Lock® Devices
Motor Control / Disconnect Switches
Single-Pole Locking Devices
Kellems® Strain Relief Grips

Automotive
UL 1686 Pin & Sleeve (Metallic)
Mechanical Interlocks
Disconnect Switches & Safety Enclosures
Kellems® Strain Relief Grips
Cord Connectors
Liquidtight Conduit Fittings

Sewage Treatment
IEC Pin & Sleeve Devices
Watertight Safety-Shroud® Twist-Lock®
Mechanical Interlocks
Watertight Elastomeric Plugs & Connectors
NEMA 4X Disconnect Switches
Lockout / Tagout Device

Military
Twist-Lock® Receptacles, Plugs & Connectors
GFCI Portable Line Cords
IEC Pin and Sleeve Devices
Portable Outlet Boxes
Spider® Military Portable Power Distribution Boxes
Cord Reels

Original Equipment Manufacturers
Straight Blade Receptacles, Plugs & Connectors
Switches
Cord Connectors
Motor Control / Disconnect Switches
Kellems® Strain Relief
Twist-Lock® Receptacles, Plugs & Connectors

Safety
Motor Control / Disconnect Switches
Lockout / Tagout Devices
Watertight Plugs and Connectors
Portable Outlet Boxes
Modular Cable Protection Systems
Shrouded Twist-Lock® and IEC Pin & Sleeve

Wind Power Generation
Kellems® Support Grips
GFCI Receptacles and Portables
IEC Pin & Sleeve Devices
Occupancy Sensors
Watertight Devices
Weather Resistant Receptacles

Utilities
IEC Pin & Sleeve Devices
UL 1686 Pin & Sleeve (Metallic)
Twist-Lock® Plugs & Connectors
Kellems® Pulling Grips
Cord Reels
GFCI Portable Line Cords

HUBBELL®

COMMERCIAL / INSTITUTIONAL

The Only Complete Commercial Line with Wiring Devices and Delivery Systems - Nobody delivers commercial solutions like Hubbell. Only Hubbell customers can count on a single source for innovative, safety-engineered devices, delivery systems and voice/data/video products that are all designed to be compatible with one another. With metallic and non-metallic raceway, service poles, innovative SystemOne floor boxes and fire-rated poke-throughs, and the latest audio/video and data components, Hubbell Wiring Device - Kellems delivers solutions for commercial applications.

Hospitals
SNAPConnect™ "Connectorized" Receptacles
Illuminated Receptacles and Switches
Hospital Grade Receptacles, Plugs & Connectors
Hubbellock® Power Interrupting Devices
Occupancy Sensors & Daylight Harvesting
SpikeShield® Panel Surge Protection

Medical Offices
4-Plex® Receptacles
Tamper-Resistant Receptacles
Surge Suppression Receptacles and Strips
Locking Switches
Isolated Ground Receptacles
Hospital Grade GFCI Receptacles

Education / Universities
GFCI Receptacles
4-Plex® Receptacles
Metallic and Non-Metallic Raceway Systems
Aluminum Service Poles
FloorTrak® Cord Protection Track
TrukTrak® / TredTrak® Hose & Cable Protection

Schools / K - 12
Tamper-Resistant Receptacles
Locking Switches
Metallic and Non-Metallic Raceway Systems
Occupancy Sensors
Straight Blade Receptacles and Switches
Isolated Ground & Surge Suppression Devices

Government Facilities
Straight Blade Wiring Devices
Occupancy Sensors
Surge Suppression Receptacles and Strips
Locking Switches
Modular Cable Protection Systems
Metallic and Non-Metallic Raceway Systems

Commercial Construction
Straight Blade Receptacles and Switches
GFCI Receptacles
Wall Plates
GFCI Portable Line Cords
Portable Outlet Boxes
Spider® Portable Power Distribution Boxes

Retail Construction
Floor Boxes
Aluminum Service Poles
Fire-Rated Poke-Throughs
SpikeShield® Power Quality Products
Audio/Video and Data Wiring Products
Isolated Ground & Surge Suppression Devices

Hospitality
Straight Blade Receptacles, Plugs & Connectors
GFCI Receptacles & Portable Line Cords
Locking Switches
Occupancy Sensors
Plug Strips and Surge Suppression Strips
Modular Cable Protection Systems

Energy Management / Sustainability
Occupancy Sensors
Vacancy Sensors
Dimmers
Daylight Harvesting
Digital Timers
High Bay Solutions

Data Centers
SpikeShield® Panel Surge Protection
Twist-Lock® Receptacles, Plugs & Connectors
IEC Pin & Sleeve Devices
Raised Access Floor Boxes
Kellems® Strain Relief Grips
Occupancy Sensors

Entertainment Industries
Straight Blade and Twist-Lock® Devices
Single-Pole Devices
Pin & Sleeve Devices
Weather Resistant Receptacles
Modular Cable Protection Systems
Spider® Portable Power Distribution Boxes

Property Management
GFCI Receptacles & Portables
Commercial Receptacles, Plugs & Connectors
Residential Receptacles
Plug Strips and Surge Suppression Strips
Occupancy Sensors / Vacancy Sensors
Audio / Video and Data Wiring Products

Organizing Solutions for Vertical Markets Industry-focused approach and real-world market experience enables us to provide tailored packaged solutions for our clients in these markets - *go to www.hubbell-wiring.com and click on Vertical Markets.*

e-Learning Training Modules - Get instant access to our library of rich-media training modules. Our e-Learning Center is a great way to keep current on everything from the basics to our latest product innovations. See below for examples of featured training topics. *Available on line at www.hubbell-wiring.com. - just click on Media.*

Insulgrip® Brochure
Understand Hubbell's Insulgrip® products and technology, including straight blade, locking devices and pin and sleeve mechanical interlocks
Level: intermediate
Company: Hubbell Wiring Device-Kellems

Safety Product Guide
Learn about workplace safety concerns, understand relevant code and regulations, and become familiar with Hubbell safety products.
Level: intermediate
Company: Hubbell Wiring Device-Kellems

Occupancy Sensor Application Guide
Understand occupancy sensor technology, discover where they save energy, and learn how to deploy them in specific spaces and room types.
Level: intermediate
Company: Hubbell Wiring Device-Kellems
