A fitting collaboration between dreamer and maker.
Jeffrey’s purposeful and authentic spaces beg to be lived in rather than existing only to be stylish. Today this Elle Décor A-List designer’s spirited aesthetic is realized beyond his fortunate clients through licensing partnerships and a broader audience can look forward to homes that are more genuine, more personal and more engaging.
exceptional combinations of materials woven throughout. Emulating both the raw strength and the captivating honesty of the landscape, Jeffrey intuitively elevates lighting to a more authentic art form as he marries craftsmanship and style with some of his favorite materials and memories.

Jeffrey’s Point Dume™ lighting collection celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences. At home in a range of lifestyles from coastal to urban, the Collection is inspired by one of his favorite places, Point Dume, California, with exceptional combinations of materials woven throughout. Emulating both the raw strength and the captivating honesty of the landscape, Jeffrey intuitively elevates lighting to a more authentic art form as he marries craftsmanship and style with some of his favorite materials and memories.

“I believe that lighting has a higher purpose, to be at once illuminating and decorative, purposeful and beautiful. Lighting is the ultimate marriage of form and function and the most transformative element in a design project. The very nature of light itself is inspirational.”

“Beautiful lighting can appeal to both one’s pragmatic nature and one’s artistic spirit. For me, there is no better reward than to create well-loved spaces where life can be enjoyed fully and lived beautifully.”

GOOD DESIGN HAS NO LIMITS

Test interior design limits by taking the chandelier out of the dining room and into the living room. Placed over a sofa in a richly layered and beautifully realized living room décor, it makes an artistic silhouette that punctuates a room and adds life to a tonal palette. The Rae chandelier doubles as a work of art, with its blend of geometric shapes and a sculpted, handcrafted frame finished in a glowing golden finish.
PLAYING WITH ANGLES

Basic geometry is anything but boring when you add shapely influences to your home for a unique touch of style. This foyer sets the stage for the first steps into your home as it plays up the geometric trend to the hilt with abstract artwork, a clean-lined X base console table, and a dramatic lighting fixture. Your guests will do a double-take as they gaze up at Cumberland, a unique geometric pendant finished in matte black frames and accented with circular seed glass panes. Its artistic “X” and “O” tic-tac-toe pattern echoes the geometry of the hall table for a design scheme that’s sure to draw compliments.

FIRST IMPRESSIONS COUNT

It only takes seven seconds to make a first impression, so make it count with your front entryway. Here, classic architectural style gets a modern vibe with an unadorned column and the elongated shape of the Chatsworth lantern.
CLASSIC + MODERN PLAY WELL TOGETHER

Exaggerated color and playful silhouettes abound in this living room that is a unique juxtaposition of modern and traditional styling. Traditional highboy and side table furnishings meld with the contemporary use of two circular stools as a coffee table. The simply charming Mauldin pendant at either end of an emerald couch adds symmetry and balances the bright color. Mauldin’s geometric frames and clear seeded glass panes play off the diamond-patterned rug and showcase a modern twist on age-old classics.
SHADES OF BLACK AND GRAY

Turn the shiplap trend on its head by installing it vertically on the wall and painting it an accent color. The black vanity placed against the gray wall adds a moody, comforting tone to a serene bathroom. A pair of Bonita wall sconces flank an oversized mirror, adding understated elegance to the vignette. Contemporary ladder shelving displays bath necessities against an adjoining wall for additional visual flair.
MODERN LUXURY

Celebrate geometric forms and alluring intrigue. Create grand gestures and sweeping statements with a mixture of lighting fixtures that glimmer and shine. Metal accents, airy designs and artful arrangements are featured in collections, such as Orrizo, Adagio, Sinclaire and Blakely. These fixtures all pair together perfectly because of the clean lines and fashion-forward designs featured in each.

Featuring Orrizo, Adagio, Sinclaire and Blakely.
EVOKE STYLISH STORYBOOK CHARMS

This space charms all five senses through soft color palettes, vintage pieces of furniture and floral accents. The beautiful detail of Hermosa’s Mediterranean-style lanterns contribute visual interest while bringing traditional exterior fixtures indoors. Bergamo’s two-toned frame and tassel accents enhance the textured ceilings, walls and accessories.
Set the mood with a display of substantial style. Gresham’s frame was inspired by the elegance of traditional iron structures. Specific attention to forging details creates a distinctive collection to highlight rustic-inspired spaces. Morrison and Fontayne complete the lighting design with complementary forms.
TRADITIONAL LUXURY

Enjoy high status with sparkle and shine. Relax and unwind in this bath and vanity area full of femininity, sparkle and shine. The highly polished design style of Lisbon complements both Modern and Luxe interiors— and can be mounted up or down.

EARTH TONES TRENDING

Earthy granites and similar tones can make a big statement within a room. Additionally, Walnut is making a comeback because of the popularity of the mid-century modern design.
TRADITIONAL LUXURY

Enhance any space with artful angles and opulent accents. Soft metal tones, fabric shades and a soothing color palette create an oasis from everyday stress and responsibilities in this traditional luxury bath area. With a glamorous and modern appeal, Carriage Hill’s hexagonal shape complements Stratham’s signature string of alternating beads. Large in scale, this space showcases a stunning display of attention to detail.
SWEET, SERENE & SOPHISTICATED

Celebrate a new addition’s grand entrance with a nursery to match! Designers today are incorporating sophisticated and simple elements to create magical settings for children.

The furniture selection carries a monochromatic color scheme, while floral accents and textured accessories add character to the space shown. Marché collection pairs perfectly with Carlyn’s luxurious pattern and glass accents to create a gorgeous nursery with a touch of glam.
COMPLEMENT CLASSIC DESIGNS

Classic forms, geometric patterns and mixed metal finishes work together to define this stunning living area, while also enhancing the soothing color palette. Westfall’s dramatic soaring frame and candelabra cluster complement Soiree’s tall candles and clear seeded glass, creating an overall inviting atmosphere.

EMBRACE ELEGANCE & SPARKLE

To contrast the gray color scheme, rich furniture and sleek hardware, we chose lighting fixtures with glass accents, metal finishes and architecturally styled frames to bring intrigue and a sophisticated sparkle to the room.
A SERIES OF STATEMENT-MAKING FIXTURES

Bold geometric patterns and Glayse’s unbounded beveled glass adds a quirky flair to the clean lines and functionality of this design. Additionally, the use of glass creates a sense of connection to nature and the outdoors. Hangar’s unique form and Astra’s organic design serve as statement pieces to complete the look.
MIXED METALS ARE HOT!

Not only are finishes “heating up” but the freedom to mix metals is growing in popularity. Much like combining gold and silver jewelry, there isn’t a rule that commits you to one finish from room to room. How you curate and combine metal accents will enhance a luxurious setting.
PAIR SCULPTURAL DESIGNS WITH FARMHOUSE DÉCOR

With a little country flair and an inviting atmosphere, this clean and simple design style is surging in popularity in homes across the nation. Rich tones and antique décor pair perfectly with the sculptural details featured in our Fermi and Re-Bar pendants. The lighting design also features a wall sconce and chandelier from our Cordin collection, which provides a playful contrast and creates a unique visual statement within the space.
UNWIND IN A ROMANTIC SETTING

This spa-inspired sanctuary encourages rest and relaxation. Romantic rose tones, plush furniture and natural light work to create the perfect environment to escape from the daily to-do list. Our Savor chandelier and sconce contribute an essence of craftsmanship with contemporized wrought iron details and a sweeping profile.
BRING THE OUTDOORS IN

Size matters! When it comes to selecting fixtures for a particular room, oversized or exaggerated frames are on trend in a big way. In lieu of table lamps, we’ve chosen sconces from our Union Square outdoor lantern collection – a unique way of bringing the “outdoors” inside! Finally, our oversized Turnbury chandelier creates a dramatic focal point for this luxurious bedroom.
SWOON OVER MID-CENTURY MODERN DESIGN

Our designers selected a series of statement fixtures, where each complements the next, to highlight this great room that features a variety of shapes and pops of color.

Hangar’s light and airy form adds visual interest, while also providing a unique contrast to Astra’s asymmetrical design. Inspired by the art of engineering, Spatial’s geometric frame balances and completes the design scheme.
The key to coordinating lighting throughout the home is finding a good balance. Try to avoid choosing every light fixture from one particular collection. Instead, select fixtures that feature similar metal profiles or design styles. While the Era pendant and Looking Glass chandelier are from different families, each contains elements with an overall vintage feel. Iron accents, hints of brass and mechanical details all work together to create a unique statement.
LAYER LIGHTING WITH GEOMETRIC ACCENTS

Circular elements featured in the mirror and Debut chandelier work together to provide dramatic focal points to this living space. Additionally, the Squire outdoor wall lantern was incorporated in a clever way in this interior setting to create a rich layer of light to contribute to the room’s decor.

PERSONALIZE TRENDS TO MAKE IT YOUR OWN

Keep in mind, a light fixture is not going to define your style. It’s all about how your light fixture fits into your personalized living space. You can make a home feel more luxurious because of the product you are putting into it so get creative and design with what you like.
SLEEK AND SOPHISTICATED

One of the most important things to remember when illuminating your bathroom is to provide shadow-free lighting at the mirror. This bath area benefits from a generous amount of natural light, while our sleek and sophisticated Zura sconces placed on either side of the bathroom mirror work to further reduce shadows on the side of the face.

EARTH TONES TRENDING

Earthy granites and similar tones can make a big statement within a room. Additionally, Walnut is making a comeback because of the popularity of the mid-century modern design.
ALL THAT GLITTERS FOR A GLAMOROUS DESIGN

When friends and family walk into this glamorous foyer, they will instantly fall in love with the lighting design presented.

This grouping of pendants from the Desiree collection features luxury materials and details reminiscent of Hollywood’s “Golden Era.” A Silver Ridge finish and clear crystal strands cascade in a waterfall effect to convey the glitz and glamour from an iconic time that is making a modern comeback.
MARBLE, GLASS & GOLD – OH MY!

Everyone deserves a little bit of luxe in his or her home. Sleek design, nature-inspired elements and ornate details make a statement within this lavishly designed setting. Our Palacio fixtures pair a Vintage Gold finish with faux white marble accents that complement the sophisticated glass spheres found in the Ellyson pendants.
POINT DUME™ / WANDERMERE

With elegant out-stretched arms and the grace of a Calder mobile, the Wandermere chandelier is “modern symmetry in balance.” Available in Brushed Brass with curved metal shades, the Wandermere is an architectural presence for any space.

POINTER DUME™ / MOONRISE

Quintessential JAM, Moonrise is an ethereal globe fashioned of Antique Nickel and marbled white glass. With a nod to its vintage ancestry, this simple style statement manages to defy time and live quite happily in the present. Jeffrey recommends the simplicity of Moonrise’s round silhouette the perfect choice when the design calls for multiples.

ADAGIO

An array of geometric patterns in Adagio is a nod to the musical description of a tender and melodic tone. The modern design features lights that are distributed around a circular band. Mixed metal elements, which are present in Brushed Silver and Brushed Gold accents, can complement monochromatic color palettes that are popular in homes today. Each fixture in the Adagio collection creates a focal point and is ideal for Luxe and Modern interiors.
RATIO

A sleek metal frame supports a low-slung shade to create Ratio’s casual modern style. The frame’s proportion to the white linen drum shade evokes a perfect ratio for lighting. All fixtures include a polished glass diffuser that offers an elegant appeal.
Elevate your Modern Mountain home décor by incorporating ravishing rustic design in the heart of your home with the Torres Collection. Handcrafted spires reminiscent of rugged forest surroundings coalesce in cultivated masterpieces of rustic sophistication. Beautiful black, blunt edges crisscross in open-cage designs for an organic interpretation of the popular tic-tac-toe pattern.
