JEFFREY ALAN MARKS

A fitting collaboration between dreamer and maker.
DREAMER

Jeffrey’s purposeful and authentic spaces beg to be lived in rather than existing only to be stylish. Today this Elle Décor A-List designer’s spirited aesthetic is realized beyond his fortunate clients through licensing partnerships and a broader audience can look forward to homes that are more genuine, more personal and more engaging.
POINT DUME

Photo by Steven Lippman
“I believe that lighting has a higher purpose, to be at once illuminating and decorative, purposeful and beautiful. Lighting is the ultimate marriage of form and function and the most transformative element in a design project. The very nature of light itself is inspirational.”

JEFFREY ALAN MARKS

Jeffrey’s Point Dume™ lighting collection celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences. At home in a range of lifestyles from coastal to urban, the Collection is inspired by one of his favorite places, Point Dume, California, with exceptional combinations of materials woven throughout. Emulating both the raw strength and the captivating honesty of the landscape, Jeffrey intuitively elevates lighting to a more authentic art form as he marries craftsmanship and style with some of his favorite materials and memories.
In the eclectic Point Dume™ Collection, the dreamer and the maker are united by the desire to provide an elevated level of home fashion to an enthusiastic design-savvy consumer. As the inaugural guest designer of Progress’ Design Series brand, Jeffrey’s design goals are in sync with the Design Series philosophy — to offer sophisticated styling at an accessible price. Together they are on a journey to inspire individuals to update the favorite spaces in their homes through fixtures that highlight artistic influence, rich finishes and fashion-forward elements.

“Beautiful lighting can appeal to both one’s pragmatic nature and one’s artistic spirit. For me, there is no better reward than to create well-loved spaces where life can be enjoyed fully and lived beautifully.”

MODERN LUXURY

Celebrate geometric forms and alluring intrigue. Create grand gestures and sweeping statements with a mixture of lighting fixtures that glisten and shine. Metal accents, airy designs and artful arrangements are featured in collections, such as Orrizo, Adagio, Sinclaire and Blakely. These fixtures all pair together perfectly because of the clean lines and fashion-forward designs featured in each.
INSTANT CURB APPEAL

Make a stately impression with modern wall lanterns featuring delicate geometric patterns that are paired on either side of an entrance to provide both form and function.

Morrison’s tall and stately design accommodates a generous architectural scale. Whether day or night, these lanterns contribute to the elegance typically reserved for a grand estate.
RUSTIC MOUNTAIN HOME

Set the mood with a display of substantial style, Gresham’s frame was inspired by the elegance of traditional iron structures. Specific attention to forging details creates a distinctive collection to highlight rustic-inspired spaces.

Morrison and Fontayne complete the lighting design with complementary forms.
EARTH TONES TRENDING

Earthy granites and similar tones can make a big statement within a room. Additionally, Walnut is making a comeback because of the popularity of the mid-century modern design.

Featuring Morrison lanterns.
TRADITIONAL LUXURY

Enjoy high status with sparkle and shine. Relax and unwind in this bath and vanity area full of femininity, sparkle and shine. The highly polished design style of Lisbon complements both Modern and Luxe interiors – and can be mounted up or down.
TRADITIONAL LUXURY

Enhance any space with artful angles and opulent accents. Soft metal tones, fabric shades and a soothing color palette create an oasis from everyday stress and responsibilities in this traditional luxury bath area. With a glamorous and modern appeal, Carriage Hill’s hexagonal shape complements Stratham’s signature string of alternating beads. Large in scale, this space showcases a stunning display of attention to detail.
Featuring Stratham chandelier, Carriage Hill pendant and Stratham sconce.
Featuring Bergamo chandelier, wall brackets, pendant and Hermosa lanterns.
EVOKE STYLISH STORYBOOK CHARM

This space charms all five senses through soft color palettes, vintage pieces of furniture and floral accents. The beautiful detail of Hermosa’s Mediterranean-style lanterns contribute visual interest while bringing traditional exterior fixtures indoors. Bergamo’s two-toned frame and tassel accents enhance the textured ceilings, walls and accessories.
SWEET, SERENE & SOPHISTICATED

Celebrate a new addition’s grand entrance with a nursery to match! Designers today are incorporating sophisticated and simple elements to create magical settings for children.

The furniture selection carries a monochromatic color scheme, while floral accents and textured accessories add character to the space shown. Marché collection pairs perfectly with Carlyn’s luxurious pattern and glass accents to create a gorgeous nursery with a touch of glam.
COMPLEMENT CLASSIC DESIGNS

Classic forms, geometric patterns and mixed metal finishes work together to define this stunning living area, while also enhancing the soothing color palette. Westfall’s dramatic soaring frame and candelabra cluster complement Soiree’s tall candles and clear seeded glass, creating an overall inviting atmosphere.
EMBRACE ELEGANCE & SPARKLE

To contrast the gray color scheme, rich furniture and sleek hardware, we chose lighting fixtures with glass accents, metal finishes and architecturally styled frames to bring intrigue and a sophisticated sparkle to the room.
A SERIES OF STATEMENT-MAKING FIXTURES

Bold geometric patterns and Glayse’s unbounded beveled glass adds a quirky flair to the clean lines and functionality of this design.

Additionally, the use of glass creates a sense of connection to nature and the outdoors. Hangar’s unique form and Astra’s organic design serve as statement pieces to complete the look.
CREATE A SERENE RETREAT

We selected the Marché chandelier for this master bathroom because of its luxurious sheer silver organza shade and Polished Nickel finish. These sophisticated elements contrast nicely with the traditionally elegant Bonita wall sconce to complement luxurious living with an understated beauty. Finally, geometric tile and a neutral color scheme contributes to a spa-like environment for individuals to enjoy while either starting or ending their day.
MIXED METALS ARE HOT!

Not only are finishes “heating up” but the freedom to mix metals is growing in popularity. Much like combining gold and silver jewelry, there isn’t a rule that commits you to one finish from room to room. How you curate and combine metal accents will enhance a luxurious setting.
PAIR SCULPTURAL DESIGNS WITH FARMHOUSE DÉCOR

With a little country flair and an inviting atmosphere, this clean and simple design style is surging in popularity in homes across the nation. Rich tones and antique décor pair perfectly with the sculptural details featured in our Fermi and Re-Bar pendants. The lighting design also features a wall sconce and chandelier from our Cordin collection, which provides a playful contrast and creates a unique visual statement within the space.
Featuring Fermi pendant, Re-bar pendant, Cordin sconce and chandelier.
Featuring Savor chandelier and sconce.
UNWIND IN A ROMANTIC SETTING

This spa-inspired sanctuary encourages rest and relaxation. Romantic rose tones, plush furniture and natural light work to create the perfect environment to escape from the daily to-do list. Our Savor chandelier and sconce contribute an essence of craftsmanship with contemporized wrought iron details and a sweeping profile.
BRING THE OUTDOORS IN

Size matters! When it comes to selecting fixtures for a particular room, oversized or exaggerated frames are on trend in a big way.

In lieu of table lamps, we’ve chosen sconces from our Union Square outdoor lantern collection – a unique way of bringing the “outdoors” inside! Finally, our oversized Turnbury chandelier creates a dramatic focal point for this luxurious bedroom.
Featuring Turnbury chandelier and Union Square wall lanterns.
SWOON OVER MID-CENTURY MODERN DESIGN

Our designers selected a series of statement fixtures, where each complements the next, to highlight this great room that features a variety of shapes and pops of color.

Hangar’s light and airy form adds visual interest, while also providing a unique contrast to Astra’s asymmetrical design. Inspired by the art of engineering, Spatial’s geometric frame balances and completes the design scheme.
Featuring Spatial chandelier, Astra chandelier and Hangar pendants.
Featuring Looking Glass chandelier and Era pendants.
The key to coordinating lighting throughout the home is finding a good balance. Try to avoid choosing every light fixture from one particular collection.

Instead, select fixtures that feature similar metal profiles or design styles. While the Era pendant and Looking Glass chandelier are from different families, each contains elements with an overall vintage feel. Iron accents, hints of brass and mechanical details all work together to create a unique statement.
LAYER LIGHTING WITH GEOMETRIC ACCENTS

Circular elements featured in the mirror and Debut chandelier work together to provide dramatic focal points to this living space. Additionally, the Squire outdoor wall lantern was incorporated in a clever way in this interior setting to create a rich layer of light to contribute to the room’s décor.
PERSONALIZE TRENDS TO MAKE IT YOUR OWN

Keep in mind, a light fixture is not going to define your style. It’s all about how your light fixture fits into your personalized living space. You can make a home feel more luxurious because of the product you are putting into it so get creative and design with what you like.
COORDINATE with DELTA® BATH MATCH

One of the most important things to remember when illuminating your bathroom is to provide shadow-free lighting at the mirror. This bath area benefits from a generous amount of natural light, while our sleek and sophisticated Zura™ sconces placed on either side of the bathroom mirror work to further reduce shadows on the side of the face.
EARTH TONES TRENDING

Earthy granites and similar tones can make a big statement within a room. Additionally, Walnut is making a comeback because of the popularity of the mid-century modern design.

Featuring Cinq pendant.
Featuring Desiree pendants and sconces.
ALL THAT GLITTERS FOR A GLAMOROUS DESIGN

When friends and family walk into this glamorous foyer, they will instantly fall in love with the lighting design presented.

This grouping of pendants from the Desiree collection features luxury materials and details reminiscent of Hollywood’s “Golden Era.” A Silver Ridge finish and clear crystal strands cascade in a waterfall effect to convey the glitz and glamour from an iconic time that is making a modern comeback.
MARBLE, GLASS & GOLD – OH MY!

Everyone deserves a little bit of luxe in his or her home. Sleek design, nature-inspired elements and ornate details make a statement within this lavishly designed setting. Our Palacio fixtures pair a Vintage Gold finish with faux white marble accents that complement the sophisticated glass spheres found in the Ellyson pendants.
Featuring Palacio chandelier and foyer, Cahill sconces and Ellyson pendants.

The Shearwater hanging lanterns and wall sconces embody Jeffrey’s love of easy coastal living. His lighter lantern and sconce option combine Antique Nickel with clear glass and a soft-beige stitched leather handle, while the more traditional version of Shearwater combines Aged Brass, clear glass, and a handsome brown stitched leather handle. For a more California look, Jeffrey offers a white or antique nickel lantern with clear glass and his signature Maliblue accent as a pop of color in the roof of the fixture.

Products identified as Energy Efficient have been designed to utilize light sources that consume less power than equivalent traditional incandescent sources.

Products referencing this logo meet the energy efficiency requirements for light fixtures set forth in ENERGY STAR® product specifications. Please refer to www.energystar.gov for specific product qualifications and list of certified products.

This marking indicates fixtures that have an integrated LED or replaceable LED module that has been tested and listed in the California Appliance Database. Check for certified lamps, fixtures or LED light engines by searching the MAEDBS database. Go to cacertappliances.energy.ca.gov

Table 150.0A defines products that do not have to meet JA8 and can be used to comply with 2016 Title 24. The most common types include:

- Pin-based linear or compact fluorescent light sources using electronic ballasts
- GU-24 sockets containing light sources other than LEDs
- Inseperable SSL luminaires that are installed outdoors
