

CATALOG NO.	DESCRIPTION	STICK COLOR
OFSTIX50SC	FIBER,CLEANING STICKS,SC,ST,FC,APC,50PK	BLUE
OFSTIX50LC	FIBER,CLEANING STICKS,LC,MU,APC,50PK	GREEN

- Cleans any connector, any size, any configuration, anywhere including military, biconic, SCA for FTTH, POF & SMA 905 AIR connectors
- Perfectly cleans the entire end-face, not just the central core
- Delivers "Wet/Dry" cleaning when used with Stickers Fiber Optic Splice & Connector Cleaner fluid
- High-purity cleaning tips-no fabric, foam, glues or particulate
- Precision molded to exact size & shape, for better cleaning
- Packaged in high-purity, reclosable bags
- Color-Coded for easy selection
- Military approved with National Stock Numbers (NSN#)
- High-performance and low cost cleaning

The Stickers® CleanStix™ connector cleaning sticks are reliable, inexpensive tools engineered for critical cleaning of end face connectors located in mating sleeves or the contact areas of receptacles used in high-speed fiber optic networks. The various diameter cleaning sticks are color-coded for easy size selection and perfect cleaning performance on any size interconnect. Stickers CleanStix connector cleaning sticks get any fiber network running faster and more reliably than any other cleaning technology on the market today.

Using patented, sintered polymer technology (see illustration right) the cleaning tip is engineered to a precise size so it spins off-center during cleaning. This improves cleaning results on even the smallest end-faces (blue arrow). In addition, the tip flexes and fibers in the tip spread during cleaning (red arrow) to gently conform to any end face geometry and grab particulate while absorbing oils and fluids. Stickers CleanStix connector cleaning sticks are engineered to perfectly clean the entire end-face and alignment sleeve, not just the contact area.

Available in five sizes, the Stickers CleanStix connector cleaning sticks are the low-cost way to perfectly clean any connector, any size, any configuration, every time.

Connector cleaning sticks - 2.5mm
SC, ST, FC, APC, etc.

Stickers connector cleaning sticks - 1.25mm
For LC, MU
