

Introducing the New AirPro 52" 5-Blade Ceiling Fan

UPDATED CONTEMPORARY DESIGN (FROM P2501)

The AirPro 52" 5-blade ceiling fan refreshes interiors with a sleek, modern form. Five clean-lined fan blades extend outward from a streamlined motor housing that contains a powerful AC motor. Its versatile yet timeless design makes it ideal for a wide range of interior décor styles. The fan can be installed on a flat or sloped ceiling.

Multiple options

- Three AC motor Energy Star rated models
- Light kits (single poly dome shades, 4-light seeded glass or poly shades)
- On-trend finishes

Captive Screws

Allow for quick and easy fan blade arm installation.

Unipack options

package the light kit with the fan, eliminating need to order the light kit separately.

Accessories

All fans can accept an accessory wall and remote control (sold separately).

Light Kits

All light kits include medium based, 3000K LED lamps.
