

Outdoor Ceiling Fan and Luminaire Box

Applications

Provides a safe and secure mounting and weatherproof wiring junction for outdoor fans, chandeliers or pendant lights. Part of Bell's Outdoor Comforts™ line, this electrical box is designed to enhance outdoor living spaces with the same convenience and comfort as indoors. Perfect for porches, covered patios, pergolas.

Features

- Support fans up to 70lbs or heavy luminaires up to 150lbs
- Five 3/4in threaded entries for conduit or fittings with four closure plugs
- Includes three reducer bushings (3/4in to 1/2in)
- Box mounts parallel, perpendicular or 45° from a joist
- Constructed of heavy duty PVC with integrated galvanized steel support bracket

SAFE & SECURE
with a properly rated box!
