

Deck Outlet Cover Kit

Applications

Complete weatherproof outlet kit for raised outdoor floors lets you place convenient power access where you need it! Included cover, electrical box and receptacle create a cost-effective upgrade for today's outdoor living. Homeowners get safe, code-compliant power protected from water spray, rain or snow. Suitable for lights, fans, device charges and other electric appliances.

Kit Features

- Ideal for prominent locations rather than hidden away like typical outdoor boxes & covers
- One weather/tamper resistant 15A GFCI receptacle
- One weatherproof cover constructed of heavy-duty UV-resistant polycarbonate
- One metal electrical box with ½" threaded outlets and gasket
- Low profile design with beveled edge and slip resistant texture meets ADA standards
- Rain chamber and "drip loop" design provide two levels of in-use protection
- Pre-attached gasket keeps water from entering around self-closing lid
- Cord hooks hold two power cords (up to 16 gauge) in place
- For use on wood or composite raised decks and porches

UL US
 NEC & NEMA 3R Compliant
